Mayor's Budget Shows Cut Of \$815,000

Totals of \$2,930,834; Includes Pay Boosts, No Special Projects

A proposed city budget, trimmed by nearly \$815,000 from this year's record-breaking \$3,745,143, has been presented to Granite City council members by Mayor Partney. The total is \$2,930,834.

The city's fiscal year ends April 30, and if normal procedures are followed, final decisions or budget figures will not be reached until late in July. Missing from the new budget is \$133,331 included in this year's budget for special improvement projects, and also missing are the salaries of the comptroller, \$11,400, abolished by the council, and \$6774 for the assistant comptroller, who is retiring April 30.

Drastic cuts in the mayor's budget amount to a \$46,000 cut from the street department and a cut of \$569,000 for maintenance of sewers—down to \$227,350 from \$828,500.

Pay Increases
Mayor Partney said the budget does include \$50 monthly pay increases for the police, fire and sewage treatment departments, agreed upon last year by the council, and an added \$28,800 for increases for other employees, yet to be negotiated.

Also eliminated from the tentative budget are \$15,000 for engineering services and \$5000 for a traffic engineer; while \$15,000 was added for a city election in 1971. There is no election this year.

Partney said his budget was prepared to stay within the estimated revenue for 1970-71, which amounts to \$2,682,600, plus a possible balance of more than \$111,000 expected on April 30. The income total includes \$220,000 working cash fund, which must be replaced with the first new tax money, but then may be "borrowed" again the next day.

Estimated income, the mayor pointed out, includes \$1,382,000 in taxes, \$605,000 in sales tax, \$250,000 state income tax, \$45,000 from parking meters, \$176,000 from tax commissions, \$80,000 from city auto licenses, fines and rentals and \$140,000 from other licenses and permits.

Budget Breakdown
A breakdown of the mayor's budget proposal: \$50,000 down \$45,000; executive, \$23,452, up \$300; finance and accounting, \$19,428, down \$10,484; treasurer office, \$21,099, up \$2,000.

School Balloting In Area Saturday

Only School Board Contests are in GC; Light Vote Expected

An estimated 3500 voters—or about 10% of the registered vote in the Quad-City area—are expected to go to the polls Saturday to elect board of education members in the area's three school districts.

Extremely light voting is anticipated in Madison School District 12 and Venice School District 3 where there were no opposition for school board posts. Only opposition for any of the board openings is in Granite City District 9 where five candidates are bidding for the two memberships subject to election.

Polling places will be open at noon and close at 7 p.m. Tabulation of the vote will be reported to the respective board of education officials as soon as the votes are tallied.

Voters of Granite City District 9 will ballot in 15 precincts, all of them located in schools located within the district. Madison will have two polling places, as will Venice District 3.

Candidate Data Published Today
Photographs and biographies of school board candidates appear on page 30 of today's issue. In addition to background information, the candidates also gave answers to seven questions asked by the Press-Record.

of them located in schools located within the district. Madison will have two polling places, as will Venice District 3.

Five GC Candidates
Only one of the incumbent board members whose terms expire in Granite City this year is seeking re-election on Saturday's ballot. He is Carl McCaskey, 78 Cambridge drive, a plant engineer.

Press-Record Will Compile Vote Results

The Press-Record news staff will compile results of the three school board elections to be conducted Saturday in the Quad-Cities. Precinct election judges are asked to call the newspaper office (876-2000) upon completing their counts, so the results may be totaled and relayed to the public.

Polling places for the elections are open from noon to 7 p.m., and results are not expected to be known prior to 8 or 8:30 p.m.

FOOTINGS ARE POURED for reconstruction of the \$500,000 warehouse which was destroyed by fire in mid-December at the Tri-City Regional Port. The warehouse is being rebuilt by Bulk Service Corp. of Riverdale, Ill., which also plans to move its offices to a canal port site when office facilities, also now under construction, are completed.

Laclede Steel Co. Work Begins on Lynch Ave. Sewer Replacement Project

To Close Due to Teamster Strike

Laclede Steel Co. will shut down its Madison plant all of next week because of the wildcat strike by St. Louis Teamsters Local 600, it was announced today by Arthur Becker, plant superintendent.

The strike also is causing inconvenience which involves production and employment in varying degrees at other Quad-City industrial plants, and two railroad piggyback operations in the area are at a virtual standstill, a Press-Record survey showed.

Becker said transportation of products from the Madison plant is 99% dependent on over-the-road truck services. Ralls are expected to be cut off.

Laclede's products generally are consigned to construction sites where no rail sidings are available for unloading, he said.

Operations at the plant next week will be limited to loading of jobs being used in the construction of the New York Trade Center port authority building, Becker said.

Work Begins on Lynch Ave. Sewer Replacement Project

To Close Due to Teamster Strike

Maryville Road was blocked off by Pine street and Woodlawn avenue this morning as work began on the replacement of the defective Lynch avenue sewer line.

It is expected the roadway will be barricaded for two to three weeks to install an additional storage well at the lift station and to increase the size of the sanitary sewer line under the roadway from 10 inches to 12 inches.

A contract with A. H. Seebold Co. to carry out the sewer replacement was signed Monday night by Alderman Charles Moerlein, chairman of the Finance committee, upon authorization given by Mayor Partney and the council.

Cost of the replacement has been estimated from \$275,000 to \$300,000, since 2500 feet of sewer, serving an estimated 700 households, is to be raised five feet from a depth of 15 feet and new-type, permanent-seal pipe installed. Nine manholes are to be replaced and an added lift station installed.

All construction easements have been obtained with the exception of one, and the city has not yet been able to contact the property owners. No difficulty is expected, it was reported.

3 Held in Phony Money Order Case; Find Guns in Car

Three Lorain, Ohio, men were held by Madison police yesterday in lieu of bonds of \$20,000 each following their arrest near the First National Bank in Madison where, one of the men attempted to cash a fraudulent money order.

Officers said three fully loaded revolvers were found under the seat of the convertible in which the trio was riding when the car was stopped by Capt. Edward Zabacka at Seventh street and Madison avenue about 12:15 p.m. Tuesday.

Warrants charging forgery were issued against Earl V. King, 33; Robert Ray Ross, 24; and Emmett Ross Jr., 23, all of Lorain, Ohio.

The federal funds to be paid to the city include \$55,000 in May and \$29,000 in July, with the remaining \$64,000 to be paid within a year's time.

To make up the difference, the city plans to use up to \$167,000 surplus funds from the National City sewer line replacement project that is needed to repair seven breaks in the line.

Democracy With Discipline at GCHS—Principal

It is not the desire of anyone in the administration to keep any student from going to college," Granite City high school Principal Lawrence McCauley told the school board last night in reviewing policies at the largest Illinois three-year high school.

The principal spoke at the request of the board, which had heard critical comments by a parent March 25. There were about 50 spectators last night.

With a projected full enrollment of 3285 in facilities built to house 2300, "We must keep a careful behavior control of the students," McCauley said. "There should be stimulated thinking among all students, but not thinking that would disrupt the school."

Citing a student candidate's statement that GCHS was "using the brute corruptive strength of authority to override legislation," the principal said, "I know of no legislation of the student council that has been over-ruled by the administration."

Student Proposals Approved
"Every recommendation of the 1969-70 student council was approved and fulfilled."

"In the 15 years this administration has made recommendations, not one student was marked 'Not recommended.' In fact, many who were recommended and had low averages were helped to get into schools either through summer school or admission on academic probation."

Ninety-nine percent of all college recommendations for this year's seniors have already gone through the office, and every student was recommended.

On March 23, three juniors, including the young man defeated in the student body election, were enthusiastically recommended for enrollment at the Mark Twain Summer Institute at Clayton.

If the administration had wanted to be vindictive it could have last year with any other student. He wrote an obituary for himself, naming a teacher, the faculty and administration. He was dropped from his class and suspended for seven days. He later attempted to start an SDS group in the high school. On graduating, he recommended for college; a word from any of the administration would have stopped the scholarship.

Students Intelligent Then, Now
Noting that the March 25 talk of the boys mentioned "callous adolescents" of 30 years ago, the principal said they were intelligent and concerned students. He noted that GCHS has produced such people as Gen. Goodpastor, North Atlantic Treaty Organization commander, and U.S. Senator Smith.

"The great majority of students, the faculty and the administration have been very intelligent," he said.

15 Undergo Surgery At Local Hospital

The following are recovering from surgery which they underwent at St. Elizabeth Hospital since Monday:

Abner O. Branding, 2431 Delmar avenue; Emma C. Kallips, 2814 Iowa street; Nancy Res, 2011 Richmond avenue; Mark E. Roderick, 412, Fairway Estates; Susan R. Butler, 615 Barkley avenue.

Howard Jones, 1708 Garfield avenue; Charles C. Wambough, 1931 Harris street; Madison; Vencie M. Wilkins, 4178 Breckenridge lane; Shirley Tindall, 2834 Medina avenue.

Reba L. Foster, 2741 Dale avenue; Ernest French, 1614 Clark avenue; Howard Jones, 1873 State street; Melvin D. Barton, 2332 Orville avenue; Alberta M. Christ, 2168 Lee avenue; Vesta E. Johnson, 2501 Lynch avenue.

Once the excavation work is finished, the city of Venice will be required to call bids for paving and drainage work. The city's share of the project is expected to cost about \$500,000.

Mayor Lee pointed out that the city is in no way responsible for the delay. The city is ready to proceed with its part of the work at any time, he said.

Underpass Is Year Behind Schedule

Excavation work on the long-delayed Broadway underpass project in Venice, begun in the late summer of 1968 by the Nelson Construction Co. of Clayton, Mo., is running about a year behind schedule and is almost certain to require an extension of the underpass completion dates set by the Illinois Commerce Commission, Mayor John E. Lee told members of the Venice city council in meeting Monday evening.

Delay in Excavation Work May Require Revised ICC Order

Under the present ICC order, which in itself is an extension of an earlier order, the entire subway construction was to have been completed by the end of next month. Mayor Lee said that he believed there was at least another six months work on the excavation alone, assuming the construction company proceeds at the same pace that it has in the past.

"I believe that it will be necessary for us to go back to the Illinois Commerce Commission and petition for a revision of the underpass completion deadline, because most certainly it is not going to be completed within terms of the present order," the mayor told the council.

To Meet With State
At the same time, Mayor Lee requested Edward Juneau, Jr., the Sheppard, Morgan & Schwab engineering firm, consulting engineers for the city, to meet with district state highway officials to learn, possibly, the cause of the lengthy delay in the excavation work.

Juneau said he would take up the matter with Robert Kronst, chief engineer of highway district 8.

The Broadway underpass will eliminate the grade crossing on Broadway near Main street and tie in the city's traffic with Federal Aid Route 151 (The Great River Road) which it is intended to Venice, first was planned in 1964.

Its construction, along with relocation of Broadway, was ordered by the ICC in 1965 with the cost to be shared by the state, the city of Venice and the railroad that will use the top of the structure.

Construction cost originally was estimated at \$1.2 million, but in the intervening years, the cost has jumped to the estimate to at least \$1.5 million.

Revised Original ICC Order
Under the original ICC order for construction of the underpass, the work was to have been completed by Oct. 30, 1967. Subsequent delays in planning resulted in a revision of that order and a new deadline construction date of May 30, 1970.

Following revision of the ICC order in early 1968, the Illinois State Highway Department awarded a contract in July that year to the Nelson Co. on a bid of \$918,648 for the excavation phase of the project. At that time it was estimated the excavation work would take about one year, with construction of the main structure, paving, drainage installations and other work to be completed within another year.

Mayor Lee noted that the excavation has been now under way more than 18 months and the job is not nearly completed.

Once the excavation work is finished, the city of Venice will be required to call bids for paving and drainage work. The city's share of the project is expected to cost about \$500,000.

Mayor Lee pointed out that the city is in no way responsible for the delay. The city is ready to proceed with its part of the work at any time, he said.

City Gives Initial Ok for Downtown Mall, Semi-Mall

The city's first step to aid development of a mall and semi-mall in downtown Granite City was taken Monday night by council members in unanimously authorizing preparation of ordinances for use of the streets.

The plan, as originally outlined in January, is for Nidringhaus avenue to be closed between Cleveland and Delmar, and between Delmar and Edison avenue for a mall with parking and landscaped areas, and for 19th street traffic to be rerouted to one-way eastbound traffic between Cleveland and State street with a semi-mall providing a serpentine street with trees and landscaping.

Presentation of the master plan for revitalization of the downtown business district was outlined for the council by Henry Gabriel, chairman of the Downtown Renewal committee of the Tri-Cities Chamber of Commerce, who was aided by Malcolm Drummond of the Harland Bartholomew & Associates planning firm. They were introduced by Alderman Samuel Whitmer, chairman of the council's Traffic committee.

Gabriel pointed out that \$30,000 already has been pledged and another \$150,000 is anticipated to undertake the first step of the downtown improvement program which would be the development of the Nidringhaus mall and the 19th street semi-mall.

With the council's assurance, Gabriel said, the proposal would proceed at a more rapid pace.

He explained the streets would have to be closed during the construction of the mall and semi-mall, and that at a later date it would be necessary to request changes in the present one-way street system of north-south streets, with Ben-ton street (now northbound) and Cleveland blvd. (now southbound) to be reversed to permit easier access to the downtown business district.

"We plan to do this in stages, and we believe the businessmen are enthusiastic about the project if it can attain council support," Gabriel said.

Planner Drummond pointed out no other major changes in the one-way system are contemplated at the present time.

Council members also indicated enthusiasm for the proposal, with Alderman Norman Notz stating that improvement of the downtown central business district is important for the benefit of the entire community.

City Atty. Scroggins asked if the city is to retain title to the streets and was advised the mall and semi-mall areas would remain public property with a decision on maintenance by the city or by the Downtown Retailers Association to be determined.

Assistant Fire Chief Hilman was assured there were provisions for fire lanes for access to buildings in mall area.

Mayor Lee Urges Uniform Tavern Hours in This Area

A move to establish uniform tavern closing hours for all cities and unincorporated sectors of the Quad-City area was initiated by the Venice city council Monday night at the suggestion of Mayor John E. Lee.

The council authorized the Venice city liquor commission, headed by Mayor Lee as liquor control commissioner, to meet with the mayors of Granite City and Madison and county representatives in an effort to establish the same closing hours for all taverns in the area.

Mayor Lee told the council that he was making the suggestion with the knowledge of acting Mayor Ray Kozielek of the city of Madison, who announced a week ago that he is planning revision of the Madison closing regulation which now permits Madison taverns to remain open until 4 a.m.

Has 1 a.m. Closing
Venice now has a tavern control ordinance calling for a 1 a.m. closing on weekdays and a 2 o'clock closing on Sunday morning only. Granite City and Madison county also have regulations calling for 1 a.m. weekday and 2 a.m. Sunday closings.

Mayor Lee said he did not know whether Madison is contemplating a change to the 1 a.m. and 2 a.m. closing, which would provide a uniform closing limit, but that he believed "the time is here to get everyone together and decide on the same closing hours."

The mayor said that such uniformity not only would eliminate complaints between competing tavern owners of areas with different closing hours, but would provide police with uniform enforcement regulations.

He noted that with the 4 a.m. closing hour now in effect in Madison, persons drinking in Venice taverns can leave a tavern on one side of a street dividing the two cities when the tavern closes, walk a few hundred feet to a Madison tavern and continue drinking for three more hours.

Shooting Caused Shutdown
Mayor Kozielek of Madison announced plans for a revision of the Madison closing hour limits at a recent meeting of the city council after an incident involving an early morning shooting at the Johnny Lewis

Have Car License Number Ready--Assessors Urge

Quad-City area householders were urged by township assessors today to have immediately available the state license number of any automobiles that will be claimed for exemption when deputy assessors call to make the new personal property assessment.

Lack of the license number, which is required information on the assessment forms this year, is causing considerable delay in the assessment work, according to the office of James Barton, Granite City township assessor. Deputy assessors have been delayed in many instances while house-

wives call their husbands at work or make a search for papers or registration certificates. Barton suggested that all persons who normally would be at home when the deputy assessor calls, write down the number and have it handy so that the deputy assessor will be delayed as little as possible.

Deputy assessors this year, in addition to making the regular personal property assessment, also are executing the exemption applications qualifying a householder to write off one household of furniture and one auto as a statutory tax exemption.

Barton said any person may, if they wish, come into his office before the deputy assessors call at the home, to complete the assessment and exemption forms. Other township assessors in the area are following similar procedures. The exemption form must be filled out and signed by the taxpayer before the write-off becomes effective. The assessment reduction is not automatic in any case, Barton said.

Vandals Damage Auto
Vandals damaged the auto of Kenneth MacClatchey, 3407 Lydia lane, while it was parked on the Granite City high school lot after 6 p.m., he reported at 9:25 p.m. Tuesday. Damage included a broken radio aerial, tail lights, windshield wipers and rear view mirror. The front license plate was broken off and taken, and a substance was sprayed on the windshield and hood.

Recuperating
Miss Sandy Ferguson, 2518 East 24th street, who is recovering at Barnes Hospital, St. Louis, from open heart surgery which she underwent recently, would like to hear from her friends or have them visit her in Room 2221 at the hospital.

Dr. Ventura Opens Granite City Office

Dr. Luis Ventura, MD, director of the former Madison County Tuberculosis Sanatorium in Edwardsville for the past nine years, has opened an office at 1322a Niedringhaus avenue, for general medicine. He is a member of St. Elizabeth Hospital staff.

He received his MD in Santo Domingo, Dominican Republic, in July 1951 and took his internship at the W. P. Morgan Hospital and Tiallo Hospital from 1951 to 1953.

The doctor was a resident physician at St. Joseph Hospital, Patterson, N. J., and Glendale Hospital in New Jersey where he studied pulmonary and chest diseases from 1953 to 1955.

Dr. Ventura was on the staff of Emily P. Bissell Hospital in Wilmington, Del., from 1955 to 1958 and at the Veterans Hospital in Dublin, Ga. from 1958 to 1960.

A past president of the Madison County Medical Society, he is also a member of the American Medical Association. He resides with his wife and two children at 660 East Vandallia avenue, Edwardsville.

Military Rites Tomorrow for Pfc Tapp, 20

Full military honors will be accorded Army Private First Class Newton L. Tapp, 20, son of Mr. and Mrs. Edwin Tapp, 3147 Rodger avenue, in funeral services here tomorrow. Arrangements are given in the obituary column.

Pfc Tapp was killed March 31 while on a combat operation in Vietnam, where he had arrived just two weeks earlier. He was assigned to Camp Evans, located about 18 miles from the Laotian border.

A member of the 506th Infantry, 101st Airborne Division (Airmobile), the serviceman died in action when a hostile force was encountered by his unit while on a combat mission, the Department of the Army informed his parents.

Pfc Tapp is the 29th local man killed in action since December 1965 and the 32nd serviceman to die as a result of the war in Vietnam.

Born and reared in Granite City, the soldier attended local schools and was graduated in 1967 from Granite City high school. He was employed 18 months as an engineering trainee by the State of Illinois Division of Highways and, under a special training program, attended Illinois State University at Normal. He also worked for a short time at the Blast Furnace Division of Granite City Steel Co.

Pfc Tapp joined the Army last July and received training at Fort Campbell, Ky., Fort Polk, La. and Fort Benning, Ga. At the latter base, he attended non-commissioned officers' school, but signed up to serve in Vietnam before completing the course.

He was a member of St. Margaret Mary Catholic Church and a former competitive diver and swimmer with Paddlers swim club.

Beside his parents, Edwin and Patricia Tapp, the serviceman leaves two brothers, Michael, 18, and Edwin, 16, both at home; one sister, Miss Charlotte Tapp, 17, at home; and his grandparents, Mr. and Mrs. Leo Kalips sr. and Mrs. Gertrude Tapp, all of Granite City.

Jaycees to Honor Bosses April 23
Granite City Jaycees will hold their annual "Bosses' Night" dinner party April 23 at the Jaycee Clubhouse on Poplar street. Stanley Noe, Jaycee president announced today, Earl Warnhoff will serve as general arrangements chairman.

Robert L. (Bob) Burnes, executive sports editor of the St. Louis Globe-Democrat, will be the principal speaker at the six o'clock dinner, Noe said. Reservations are currently being accepted by the club president at 877-5965.

All Jaycee members are urged to invite their employers or supervisors to the annual dinner when activities of the past 12 months are reviewed by club directors and presentation of the "Boss of the Year" award is a traditional feature.

Victim of Pickpocket
Richard Smallwood, 2858 Washington avenue, reported at 4:10 p.m. Monday that a pickpocket stole his wallet while he was in the elevator at St. Elizabeth Hospital. The wallet, later was found outside the elevator with papers strewn about, but \$13 was missing.

Vandals Slash Tires

Ollie Walker, 809 Webster street, reported to Venice police at 9:30 p.m., Tuesday that all four tires on his car were slashed by vandals while it was parked on Weaver street. Walker told officers he went into a drug store, came out about ten minutes later and discovered the damage to the tires.

BOB CRIDER and CARL MACIOS

Bob Crider and Carl Macios, candidates for the School Board, fully support the administration of Granite City High and feel they are doing an outstanding job under today's trying conditions.

We support a dress code and feel that this is just one of the regulations in Granite City schools, and do not feel like to see a few radical people try to change our standards. By dropping our dress code and doing away with discipline as a few radicals are suggesting, we will have the same conditions that have existed over at Washington University and S.U.

Steelworkers Conduct Safety Seminar for 90

The United Steelworkers of America Union conducted a one-day safety seminar at Sunset Hill Holiday Inn, on Monday with George Becker, staff representative and safety coordinator for District 34, serving as chairman.

The program was designed to acquaint the 90 delegates representing 21 local unions with the newly-adopted Safety and Health Program of the Steelworkers.

The seminar was opened with an official welcome from District Director Lloyd McBride, who stressed the importance of safety and health to members. Principal speakers included J. K. Finn of the Illinois Department of Labor, whose subject was "State Factory Inspections and Noise Control," Joseph A. Reindinger, safety engineer, for the U. S. Department of Labor who outlined the federal government's role in safety and its programs.

John Alecia, legislative representative, District 31, United Steelworkers, explained the existing safety legislation to the delegates and stressed the urgent need for much stronger legislation, both at the state and federal levels, to promote safety in industry today.

Adolph Swartz, assistant to

Levee Election Is 'Confused' Governor Told

The matter of a special election to fill a vacancy on the board of trustees of the East Side Levee and Sanitary District is a "bit confusing" because of the recent indictment of the present four trustees, and no date for such an election has been determined, Marshall Smith, assistant state's attorney, told the office of Gov. Ogilvie at Springfield.

Smith told William S. Hanley, aide to Gov. Ogilvie, that he has not heard from the levee district concerning a preferred date for a special election to fill one vacancy on the five-man board.

"Frankly, I don't know what to suggest," Smith told Hanley. "If you hold the election we've got a serious expense and probably little would be accomplished."

Smith also commented that "the position of our office in this county is that we would like to see all of the commissioners removed from office."

The vacancy was created by the death in 1969 of Joseph Grant of Granite City, one of two Madison county members of the levee board.

An election to fill the vacancy would have to be called by the governor.

Mrs. Fernandez, 56, Dies; Ill One Year

Mrs. Gerrie Belle (Barnes) Fernandez, 56, of 3720 Coronado drive, Alton, a former resident of Madison, died at 8:10 a.m. today at Alton Memorial Hospital. She had been ill with cancer the past year and was hospitalized one week.

Mrs. Fernandez was born at Erin, Tenn. She lived in the Quadra area near her home, moving to Alton from the local community about 25 years ago. She leaves four brothers and sisters here.

Until becoming ill, Mrs. Fernandez was employed 24 years at the Olm Melbison Chemical Corp. plant at East Alton. She was a member of the Vaughn Hill Church of Christ.

She is survived by her husband, Rafael Fernandez; one son, Charles Adams of Los Angeles, Calif.; her mother, Mrs. Biala Barnes, Alton; four sisters, Mrs. Vera Kirkpatrick and Mrs. Myrtle Bell, both of Granite City; Mrs. Juanita sisters, Mrs. Erin, Tenn., and Mrs. Lillie Mae Michelson of Alton; four brothers, Richard and Jesse Barnes, both of Granite City; Finis Barnes of Peoria and James Barnes of Eugene, Ore.; and one son, Earl.

Funeral arrangements are given in the obituary column.

Elks Will Install Officers on Tuesday

MORE ABOUT School

gineer at McDonnell-Douglas Corp., who has been on the Granite City school board since 1966. Dr. E. W. Watson, now president of the board, did not file for re-election.

Also bidding for the two Granite City school board posts are Robert Crider, 2432 Kilmer drive, a former school board member from 1964 through 1968; Phillip Dressel, 3946 Terrace lane; Pete A. Carich, 4735 Vincent street; and Mrs. Mary Church, 2145 Robert street.

Crider and Dressel reside in the city; the other three live in the rural area. At least one rural candidate must be elected.

Crider is a quality engineer at National Industries and has pledged his support of the present school administration. Dressel is 33 and president of the Consolidated Fruit and Flavor Corp.

Mrs. Church is a caseworker at the Nameoki township office and an unsuccessful candidate in last year's Granite City school election. Carich is a teacher-counselor at Alton high school in St. Louis and a native and lifelong resident of Granite City.

In Madison District

only three candidates are on the ballot to fill three board posts open to election. Terms expiring are those of Chester McManaway, incumbent board president; Harold Fisk and John Belmont. McManaway and Fisk are seeking re-election but Belmont, who also is city clerk of Madison, did not file. The third candidate is Sherrell Byrd, 545 Meredocia street, Venice, a welder at the A. O. Smith Corp. plant.

McManaway, a native of Venice and a lifelong resident of the area, operates a general insurance and real estate business. Fisk is a control specialist at Granite City Steel Co., where he has been employed for 33 years.

A fourth candidate, James Childers of Madison, filed as a candidate in the Madison school election, but withdrew his candidacy to leave only the three bidding for three positions and thus no opposition.

The Venice school district, like Madison, is without opposition in the bid for two school board posts. In both instances the incumbents whose terms expire this year are candidates for re-election.

Unopposed in Venice

They are Fred Durrer Jr., an agent of the Metropolitan Life Insurance Co., and Richard Bailey of Eagle Park Acres, a 26-year federal service employee at the Granite City Army Depot. The two polling places of Madison District 12 will be located at Harris school, Seventh street and Alton avenue, and Precinct One, for voters living in that part of the district east of the Terminal Railroad Association Tracks; and at Blair school, College and Meredocia streets in North Venice, as Precinct Two, for residents of the district west of the tracks.

Venice Precincts are: Precinct One, all of the school district lying within the corporate limits of the city of Venice, voting at the Venice high school gymnasium, 740 Broadway; and Precinct Two, all of the district lying in unincorporated portions of the district, voting at Harrison school, 304 Roosevelt Drive, Eagle Park Acres.

GC Polling Places

Granite City polling places for the school elections are as follows: Precinct One, McKinley school, 22nd and Iowa streets; Precinct Two, Lake school, 3201 East 123rd street; Precinct Three, Washington school, 2600 West 20th street; Precinct Four, New Logan school, 2400 West 25th street; Precinct Five, En-

Engineering Geology Meet Set Two Days at SIU-SW

A two-day conference on engineering geology in relation to urban land use planning will be held on the Southwestern campus of Southern Illinois University April 17 and 18, it was announced today.

Illinois and Missouri officials will participate in the program. The formal presentations scheduled on Friday, April 17, and field trips on Saturday, April 18, will take place in the metropolitan area where geologic conditions have produced planning problems.

Environmental geology relates earth materials to land use and to types of structures that can most advantageously be built on a particular tract.

Paul B. DuMontelle, Illinois State Geological Survey, and Lutzen will lead the field trips Saturday. Registration for the conference will cost \$18 to cover costs and guidebooks. Those interested may mail the fee to Conference Coordinator, Extension Services, Southern Illinois University, Edwardsville 62025.

Geologic mapping in urban areas will be the discussion topic opening the Friday session at 9:20 a.m. in the St. Clair room of the University Center. Among those participating will be Donald Wallace, U. S. Soil Conservation Service; Edwin E. Lutzen, Missouri Geological Survey; and Herbert Schlicher, Oregon Geological Survey. A session on planning need and use of geologic information is planned in the afternoon.

Paul B. DuMontelle, Illinois State Geological Survey, and Lutzen will lead the field trips Saturday. Registration for the conference will cost \$18 to cover costs and guidebooks. Those interested may mail the fee to Conference Coordinator, Extension Services, Southern Illinois University, Edwardsville 62025.

Mrs. Edna Arnold gave the call to prayer with a Scripture reading which was followed by prayer by Mrs. Nancy Turner.

Mrs. Juanita Keltner, president, conducted the business session at which time a report was given of a collection of items gathered for the Baptist Children's Home in Carmel, Ill.

Mrs. Thelma Peterson presented the mission program "China And Asia" and topics were given by Mrs. Alma Garrard, Mrs. Turner and Mrs. Ruth Hopkins. Mrs. Hazel Atchison dismissed the session with prayer.

After the meeting the hostess served refreshments to those mentioned and to Mrs. Bonnie Pratt, Mrs. Golda Riley, Mrs. Juanita Brown and Miss Lorena Sherry.

SHOWER HONORS MISS BALCER
Miss Sharon Balcer, who will be a June bride, was guest of honor this week at a pre-wedding party and shower given at the Knights of Columbus hall in Granite City this week.

The hostesses were Mrs. Adele Balcer, Mrs. Edward Smolki, Mrs. Michelle Balcer and Mrs. Mary Ann Aelmon, and a spring theme was carried out in the table appointments.

SOCIETY

Elkettes Hold Installation

The 15th annual installation of officers of the Elkettes was held Tuesday evening in the Antler Room of the Elk's Club with about 150 Elk's and Elkettes present.

The 1970 officers are Mrs. Gladys Gandoria, president; Mrs. Marian Willard, vice-president; Mrs. Euphie Tarris, treasurer; Mrs. Mary Whittell, membership secretary; Mrs. Marcia, corresponding secretary; Mrs. Dorothy Maer, chaplain; Mrs. Alvarette Metcalf, recording secretary; Mrs. Ruth Geroff, guard; and Mrs. Ruby Parker, Mrs. Melrose Roman and Mrs. Irma Buscemi, trustees.

A champagne hour was held with a buffet following. Mrs. Parker, program coordinator, introduced the opening program which consisted of selections by the Sweet Adelines of Alton, and Mrs. Mary Batson, retiring president of the club, who presented gifts to the retiring staff and committee members.

Mrs. Bess Weiss, installing officer, and Mrs. Karmyn Edmonds, conductor, installed the officers who were escorted by their husbands. A ceremony in connection with the installation was the lighting of candles which were placed on a table as the officers were installed.

Mrs. Ethel Hanzel at the organ played background music during the cocktail hour and installation. The champagne table, decorated with fresh flowers and a flowing fountain, held pink champagne glasses which served as favors for the Elkettes.

Three new members, Mrs. Anita Potter, Mrs. Marian Metz and Mrs. Kathryn Pomeroy, were introduced and prizes were won by Mrs. Willard, Mrs. Edna McCall, Mrs. Bernice Grimm, Mrs. Elva Artez, Mrs. Marie Dempster, Paul Edmonds and Mrs. Ella Wade.

Elk's Exalted-Ruler David Whittell invited the Elkettes to attend the Elk's installation ceremony Tuesday, April 14.

The committees in charge were Mrs. Helen Bergfield and Mrs. Margaret Roberts, hospitality; Mrs. Dorothy Copeland, Mrs. Wade and Mrs. Edith Ryan; program; Mrs. Parler, Mrs. Ruth Schuster and Mrs. Batson.

Serving on the refreshment committee were Mrs. Feta Campbell, chairman, Mrs. Lorraine Williams, Mrs. Marcus and Mrs. Mary Kenney.

Food Preparation Party Planned

The Farm Bureau Women's Committee will host a "Food Preparation Party" on Friday, April 17, at the Farm Bureau building, 900 Hillside avenue, Edwardsville.

Mrs. Norman Klueter, chairman of the committee, is extending an invitation to all area women to attend.

The chairman announced the committee has arranged for local home economics students to present menu ideas. The demonstrations will be presented during two sessions.

A morning session will be from 9:30 to 11:30 and in the afternoon from 1:30 to 3:30.

Loy, Rusick Bolster Coolidge Tennis Hopes

Coolidge's tennis team will have a strong one-two punch this season.

Gary Loy is the only returning letterman from last year's team, which notched a 9-2 record. He played first singles in the lineup.

But Coach Bob Moske has a seventh grader, Billy Rusick, who is certain to challenge Loy for the tough role of first singles.

Rusick in his young tennis career is a veteran of Granite City park district tournaments. His practice in the park courts has been to enter one or even two older age brackets and take home the first-place trophies.

The Braves' two team losses last year were both to Ferguson junior high in St. Louis county. Ferguson again is expected to be the strongest opposition on Coolidge's schedule.

Edwardsville's freshmen will be here April 15 for the opener. All matches begin at 4 p.m.

The complete schedule follows:

April 15—Edwardsville here
April 17—Ferguson here
April 21—Roxana here

April 23—at Roxana
May 1—at Edwardsville

APRIL IS AQUATIVITY SPECIAL PROMOTION MONTH AT YOUR MERCURY OUTBOARD DEALERS

Is it time to trade in your old rig? Thinking about boating as an activity for the first time? Make it a point to stop in to see your Mercury Outboard dealer now! April is "Aquativity" Special Promotion Month, and chances are you'll find the boat, motor, accessories, or whatever you need for boating pleasure this summer. And, at the right price, too!

This is the event of the year! AQUATIVITY means "Water, Activity." And it means special savings to you if you shop now, during this special once-a-year event. Your Mercury Outboard dealer has the widest selection of boats and motors of the year. Ask him to show you why Mercury is the most advanced and most dependable outboard you can buy, from the sleek, trim 6-cylinder 135-hp Merc, to the 4-hp smooth trolling Merc "fisher" engine. Have him explain Merc's exclusive features like Perma-Gap "lifetime" spark plugs, and Direct Charging, Fixed-Jet Carburetion, Shearproof Drive, Jet-Prop exhaust, and Mercury's special anti-corrosion alloy—and more. But don't take our word for it. Explore the new world of water at your Mercury Outboard dealer during this special event.

THIS IS THE YEAR TO GO MERCURY: 4, 7½, 9.8, 20, 40, 50, 65, 80, 115, 135 hp.

DUDLEY DO RIGHT by his hospitalized player. SIU-SW's new basketball coach, Jimmie Dudley (left), visits one of the Cougars' cage stars, John Summers of Madison, who is at Alton Memorial Hospital to have a bone fragment removed from his left knee. He is expected to be walking with his leg cast within a week and to be ready for 1970-71 basketball when practice begins.

'You've Got to Have Heart ...'

'Supersonic' Distance Runners Breaking the 'Pain Barrier'

Distance runners aren't "all heart." But the farther the distance, the better conditioned the athlete's circulatory system must be.

Granite City high's two-mile track speed record promises to be threatened by some strong, hearty lad at every succeeding meet as the season progresses.

More unique than the probability that the record will be set on many occasions this season is that several different performers will likely be doing the re-setting.

GCHS now has a veritable "heart association" of capable two-mile runners.

Top "association" members are seniors Rick Rose and Dan Burris and junior Gene Briggs. They have all broken a standing two-mile record. Before the summertime comes, juniors Doug Horton and Art Menendez may join the club.

Rose might be considered the charter member of the "association." He had owned the all-time double-mile mark of 10:13.3 since last year.

Rose's charter membership might be qualified. Last summer he mixed "strong" heartedness with "soft" heartedness.

He made a failing attempt to run 100 miles in less than 24 hours, which proves at least "hard" heartedness. The "soft" hearted label might be added because he dedicated the 100-mile attempt to a young Miss of his heart.

Burris and Briggs have earned their membership cards in a more conventional way.

Record breaking usually occurs, if at all, as state tournament time approaches, after a full season of conditioning. Yet, Burris and Briggs together undercut the mark in the opening outdoor meet.

Their feat is more surprising because the temperature was cold on their record-breaking day.

Briggs clocked a 10:12.7 while Burris won the race and achieved the temporary record with a 10:12.5.

Near Ten-Minute Mark

In the season's second outdoor meet, the Alton relay, Briggs slashed 12 seconds off the school record book. His 10:08.0 time was good for a non-rival-winning sixth place.

Even though the "heart clubbers" are expected to cut many more fractions of seconds off the school record, they will be fighting at a disadvantage for area wide recognition.

Excellence in distance running is achieved by building stamina over a number of years. The heart must be conditioned to pump at low pressure under strain, and blood capillaries must become more healthy.

Bohnenstiehl Anchors Cougar Win

Track Cougars defeated Illinois College 89-51, playing meet host for the first time, at the Roxana high school track Monday.

The meet was the second track and field outing for the SIU-SW team in its initial season. It lost the opener at Washington University of St. Louis.

Granite Cityman John M. Bohnenstiehl paced the Cougar victory along with Jim Lynn of Jerseyville. Each competitor won two individual events and helped the 440-yard relay squad's win.

SIU-SW won 11 of the 16 events.

Except for Lynn, the 440 relay was a Quad-Cityans' victory. Madison's Calvin Ratliff carried the baton from the blocks. Granite City's Lauren Lapinski took the second leg. Lynn ran third segment and Bohnenstiehl anchored for the squad's 41.2-second time.

Bohnenstiehl won the 440-yard dash in 52.9 and the javelin throw with a 154-1½ heave.

Phillip Daniels represented Venice on the Cougar team with a winning high jump of 62.

Other SIU-SW first places: 100-yard dash, Lynn 10.2; 220-yard dash, Lynn 23.0; 800-yard run, Tom Terrill 2:07.5; mile run, Terrill 4:43.2; two-mile run, Bruce Terry 10:27.2; 180-yard low hurdles, Ted Collins 20.6; and long jump, Earl McDowell 20.4.

Red Bird Express Buses to Resume

Red Bird Express bus lines will be operated to all Cardinal home games at Busch Memorial Stadium starting with the opening game Friday, Bi-State Transit System reports. All Red Bird Express buses will be air conditioned.

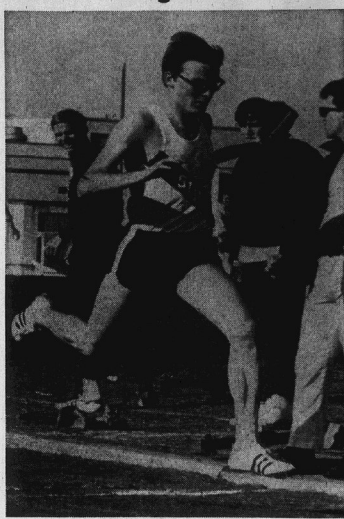

The 11 direct-to-the-stadium Red Bird Express routes includes one from the Nameoki Village shopping center.

The express buses run at five- to 10-minute intervals, beginning about 90 minutes before game time, with the last buses leaving approximately 60 minutes before game time. They make local stops on the outer portions of the lines and then operate non-stop direct-to-the stadium.

At the end of the game, all Red Bird Expresses are ready for boarding on the bus parking lot just south of the stadium.

Lanes will be designated for each route, which will be posted on a large sign at the front of the ramp between the stadium and the bus parking lot.

MAVERICK \$1995*...it's a little gas.

*Ford's suggested retail price for the base Maverick model. White sidewall tires are not included, they are \$30 extra. Since dealer preparation charges (if any), transportation charges and state and local taxes vary, they are not included, nor is extra equipment that is specially required by state laws.

Our little Maverick is America's best selling small car. The reason is simple—solid value. Maverick is simple to drive. Turn on the engine and you turn loose the power of 105 horses. Yet Maverick rivals the economy imports in gas mileage. Simple to park. Maverick can U-turn in a tighter circle than the leading import. Simple to service. Maverick requires fewer oil changes, fewer chassis lubrications. You save time and money. Simple to repair. The Maverick Owner's Manual has 24 pages of instruction for routine maintenance jobs you can do yourself. Simple to own. Save right from the start—the Simple Machine is your Ford Dealer's lowest priced car.

For a little more...it's a GRABBER!

The new Maverick Grabber has all the same features as our Simple Machine but we've added an extra sporty flare to it. Here's what Grabber gives you: 1. Racy body-side tape stripes, choice of five hot Grabber colors; 14-in. whitewall tires and wheel trim rings. High excitement, yes. High price, no. 2. 200 CID Six and 3-speed fully synchronized manual transmission. Lots of pep, but not hard to tune. Grabber adds to your fun, not your mechanical

problems. 3. Dual racing mirrors. But no high "muscle car" insurance rates. 4. Three-spoke woodgrained steering wheel just like the racing cars. But no hard, stiff ride. Grabber's sprung for comfort, not for the track. 5. Black-painted hood and grille. Grabber puts on a great front, but maintenance costs are low. Service is fast and simple. With lots you can do yourself. 6. Rear deck-lid spoiler. Even an economy car can dream, can't it?

MAVERICK Ford

THE NEW MAVERICK GRABBER IS AT YOUR FORD DEALER'S NOW.

For more information about Maverick, see your Ford Dealer or write: Maverick Catalog, Dept. N-21, P.O. Box 1500, Dearborn, Michigan 48121.

Chiefs Run Short Of Run In Opener

Prather's baseballers, after several days' delay, opened with a 7-4 loss to Central of Alton at the local diamond Tuesday.

Each team collected five hits but the Chiefs never caught up after Alton's four-run fourth inning.

Dan Carney pitched to the third inning, taking the loss, and was relieved by Danny Carr.

Scot Harrison did the best bat work for Prather, gaining base three times, including a double. The other power hit of the day was Carr's triple.

Coolidge will host Prather at 4 p.m. Friday.

Trojan Track Athletes Defeat Kahoks 67-60

In recent years the track Trojans have been badly beaten at Collinsville, but Tuesday Madison visited the Indians' track and ran to a 67-60 win.
It was the first good running weather in which the Trojans have competed this season. George Tyus in the 80-degree temperature set a new team mark in the 220-yard dash on a curve. Edwardo Chandler, Don Turner, Larry Mosby and Tyus relayed 580 yards to tie the school record.
MHS swept the 220-dash with Tyus first in 23.4 seconds, Chandler second in 23.5 and James Youngblood third in 25. The old 220 on a curve mark was set by Tyus last year—24.3. Chandler has held the straight-away record of 22.7 since last year.
The relayers ran a winning time of 1:33.8. The record is held by the 1936 quartet of Skyles, Twiston and Purcell.

Sweep the Century
The 100-dash was another sweep—Tyus 10.2, Chandler 10.3 and Turner 10.8.
Vann Ford won both the 120-high hurdles in 15.6 and the 120-lows in 13.8. Low hurdles are normally a 180-yard event but Collinsville's cinder oval has short straightaways. Joe Willie Jenkins took third in the highs in 19.4 and second in the lows in 14.9.
The mile relay men won without running one of their better times. Tex Holmes, usually the anchorman, shifted to take the second leg of the relay because of a head cold. Ford started with Dennis Hampton No. 3, and Mosby anchored for 3:44.2.
The mile relay was the day's latest event and the win gave Madison winning points for the meet.
Holmes was first in the 400-dash in 53.8 and Hampton was second in 54.9.
Ford won High Jump with a 5-6 leap; Bruce Crawford third at 4-4, Eugene Patton won the pole vault with 7-6.
Chandler jumped 197 for second; Holmes was third at 194. Collinsville's Larry Dollar won at 20-6.

Henry Rhodes put the shot at 43-10, good for third; Kahok's Bernie Berger won at 46 feet; Berger was first with the discus (136-3) and Trojan Harold James said the disc 104-4 for third.
Jim Hais led a Kahok sweep of the 880 and mile with 2:09 and 4:43. His teammate, Ray Anderson, was second in the mile (4:51) and led the Collinsville sweep of the two-mile run in 10:19.3.
Today, Highland visits MHS at 4 p.m.; on Saturday at 12:30 p.m. Madison visits the Mineral Area meet at East St. Louis.

YMCA Girls in State Swim Meet Saturday

Three members of the YMCA "Tidal Waves" swim squad will compete Saturday for statewide honors in the Illinois YMCA Girls' Swim Championships at the Oreg. Williams College, Downers Grove, Ill.
The trio includes Rosaleen Bagot, eight-year-old daughter of Dr. and Mrs. Gerard M. Bagot, 2650 Edison avenue, who will enter three events in the eight-and-under Cadet Division. The Sacred Heart third grade pupil achieved wins in the 25-yard freestyle and butterfly events and second place in the 50-yard freestyle race in district YMCA qualifying March 21.
Debbie Griffin, 10, daughter of Mr. and Mrs. Richard Griffin, 2007 Garfield avenue, will race in the 50-yard breaststroke event for 9-10-year-olds. In the Midget Division event, she earned a third place ribbon at the district meet with qual-

ifying time which met state competition requirements.
Amy Werner, daughter of Mr. and Mrs. Thomas Werner, who reside in St. Louis county, will seek state honors for the Tri-City YMCA in two races—25-yard freestyle and 25-yard breaststroke.
Competing in the eight-and-under age group, she earned three second-place awards at the district contest but will swim in only two events at the state meet.
Several hundred girl swimmers representing "Y's" throughout the state will assemble at the college fieldhouse pool early Saturday morning for warmup sessions.
Contestants from Alton, Edwardsville and East St. Louis were among those qualifying in earlier competition. Separate district contests were held in Chicago and other areas of Illinois to determine state finalists.

Horse, Motorcycles Problem at Prather

Horses and motorcycles are being ridden on the Prather junior high grounds after school hours and on weekends, leaving holes and ruts in the ground that may cause injuries to boys and girls in physical education classes or to the young athletes.
Prather coaches and physical education teachers are making a public request that the horsemen and motorcycle practice elsewhere. Both the athletic field and cinder oval track have been damaged.
School officials note that because of the potential for injury to students and the cost of continually repairing the facilities, legal charges of trespassing and destruction of public property may be brought against anyone who damages the school grounds in the future.

Bosses' Night Program Held

About 60 members and guests of the Alton Association of Education Secretaries took part in the annual "Bosses' Night" program, held Monday evening at Rusty's restaurant in Edwardsville.

Among those present were 54 secretaries, school administrators and principals from the Granite City school district, including Sup't. B. J. Davis.

Mrs. Martha Short of Alton, association president, welcomed the guests and presented awards to members. Mrs. Lucy Stucke of Lake school, who serves as secretary, gave a report.

It was announced that installation of new officers will take place during a pot-luck dinner at 7:30 p.m. Monday, May 4, in Alton.

Mrs. Stucke said following the May meeting, Granite City members who comprise a large segment of the association, will withdraw from the Alton area group, re-organizing as a separate unit, to be known as the Granite City Association of Education Secretaries.

The decision to discontinue as part of the Alton Association was made sometime ago, but deferred until the end of the current school year, Mrs. Stucke explained. After the May 4 installation meeting, the organization will adjourn regular sessions until September.

Legion Unit 113 Holds Installation

Tri-City Unit 113, American Legion Auxiliary, met last night at the Legion home. Mrs. Doris Edwards, president, conducted a brief business session after which the Past Presidents conducted an initiation of new members led by Mrs. Vi Kassabaum, and assisted by Mrs. Ada Dishop, Mrs. Loretta Durbin, Mrs. Edna McKittrick, Mrs. Esther Harris and Mrs. Mary Beckenridge.

The new members are Katie Barks, Betty Howell, Helen Hawkins, Debra Hawkins, Jeanie Tapp, Betty Waugh, Janice Edwards, Beverly Edwards, Linda Grobelnek, Jerry Kowalk, Dorothy Kowalk, Evelyn Ferro and Helen Barbeau. The Past Presidents were hostesses, and games provided entertainment. There were prizes for all.

Founder's Day Fete Planned

Mrs. William Laule, Sunny Dell Acres, entertainer, is sponsoring the Chapter of Beta Sigma Phi last night. Announcement was made of a meeting of the City Council members to be held April 13 in the home of Mrs. Paul Ashford, and the members were reminded that all reservations for Founder's Day are to be in by April 15.

Mrs. Jack Tolliver, social chairman, reported on a recent theatre party, and Mrs. Harney Ebling presented the cultural program "Stimulants to Thought." The special prize was won by Mrs. Ashford and the "hobby surprise" went to Mrs. Ebling. The hostess served a dessert course to those mentioned and Mrs. Bill Forrest, Mrs. Ralph Haldeman, Mrs. L. E. Raine, and a guest, Mrs. Bob Hollis of Denver, Colo., a daughter of Mrs. Ebling.

Convention Plans Made by Groups

Veterans of World War I, Madison Barracks 34, and Auxiliary, met Tuesday at the VFW hall, with 47 present. After a luncheon, business sessions were conducted by Commander Ernest Stechmeser.

Committee reports were heard and plans were made by members to attend a Department convention in LaSalle, Ill., July 8-11.

The Auxiliary is planning a party for veterans at the Alton State Hospital on June 4. The members also are making lap robes for hospitals and nursing homes.

Hostesses were Mrs. Clara Knipping, Mrs. Otto Schwartz and Mrs. Edna Seochtig.

Cloverview Meeting

Residents of the Cloverview subdivision area are to meet at 7 p.m. Friday at the Nameoki Presbyterian Church to discuss storm water drainage needs and possibly organize a neighborhood improvement association.

☆ SOCIETY ☆ Clothing Needs Overseas Noted

In areas of need, used clothing enables people to survive, Mrs. J. C. (Lily) McCray, Midwest Clothing Representative for Church World Service, stressed yesterday at a women's representing Quad-City churches at a special workshop at St. John United Church of Christ.

A former clothing store owner, McCray said a pair of trousers can mean the difference between a job and no job; a dress-school or no school; and a blanket-life and death.

Based on the theme, "Surviving Through Love," the workshop opened with a welcome by Mrs. Dale (Dorothy) Schanuel, CROP director for Quad-City Churches Women United, Mrs. John (Joyce) Schrader, CWU president, introduced officers and project chairmen.

Mrs. Robert Rooker, assistant CROP field director for Illinois, presented a film, entitled "Surrounded by Love," and devotionals were led by Rev. Paul R. Surbay, pastor of the host church.

Mrs. McCray emphasized the need for layette sets, men's apparel, lightweight children's clothing and personal health and school supplies. She noted the annual "Blanket Day" appeal, set for Sunday, May 3, will have a goal of 300,000 blankets this year.

Representatives from local churches present were Mesdames Elmer Frohardt, Lucille Webb, Virgie Daniel, Marjorie Tolman, Jean Rawlings, Thelma Gillis, Mieda Brainard, Dorothea Riverbrough, Ellen Ehler, Rose Marie Bauer, George Stuart, V. G. Anderson, K. K. Knox, Mildred Collins, Opal Hill, Frances Craddock, Ruth Kabunek, R. S. Kinney, W. J. Richardson, Marie Gordon, Ruth Lamb, Joan Kaseberg, Irene Feiler, Jan Sehwartzkopf and June Lue.

Out-of-town guests were Mrs. Emma Henderson, Mrs. Eleanor Wendler and Mrs. Maude Fulkerson, both of Hartford.

Carusos Mark 50th Anniversary

Mrs. and Mr. Raymond Gilmore, 1503 Kirkpatrick Homes, entertained relatives in their home Tuesday evening with a celebration of the golden wedding anniversary of Mrs. Lorraine Gilmore's parents, Mr. and Mrs. Sam Caruso, 2616 Pine street.

The Carusos were married April 7, 1920, at St. Joseph's Church and have the one daughter and four grandchildren, Carol Ann, Dennis, Debra and Patricia. Mr. Caruso operated Sam's market in Madison for approximately 20 years prior to his retirement in 1960. The hostess served a dessert luncheon to those named and a brother-in-law and sister, Mrs. and Mr. John Severs. Mrs. Caruso is the former Rose Michel, a sister of two local businessmen, Tony and Joe Michel. She has another brother, Benny, and four sisters, Mrs. Severs (Virginia), Mrs. Mary Connors, Mrs. Louise Caruso and Mrs. Margaret Fox.

Mrs. Caruso and her sister, Louise, married brothers on the same day 20 years ago. The latter's husband passed away about a year ago.

AMVETS AUXILIARY

Amvets Auxiliary of Post 51 met last night at the Post home, and Mrs. Margaret Smith, president, announced a meeting of the Fifth Division to be held Sunday in Mt. Vernon, Ill. Mrs. Maria Miller of Pittsburgh, Pa., will be present and local members were urged to attend.

Mrs. Etta Clements was appointed delegate to the state convention, in Mt. Vernon in June and, Ann Tucker is alternate.

Mrs. Mary Rich of Mt. Vernon, division president, was guest last night. A sea food buffet was served by the hostess, Mrs. Charlene Sanders. Eleven members were present and the "white elephant" was won by Mrs. Agnes Conkovich.

ROLLER SKATING PARTY

MARKS NINTH BIRTHDAY. Dana Buer, daughter of Mr. and Mrs. Richard Buer of Route 162, was honored on her ninth birthday with a skating party at the Stardust rink Wednesday evening.

Mrs. Ruth Buer, Mrs. Cleve Whitaker, the honoree's grandmother, and Mrs. Charlene Pohlman chaperoned approximately 20 children.

HOME ON LEAVE

Robert Wilder Jr., a son of Mr. and Mrs. Robert Wilder, 2410 State street, is home on a 15-day leave after completing basic training at Fort Leonard Wood.

Hall Will Head Maryville PTA

The Maryville school PTA met Tuesday night to hear candidates for the school board and to elect new PTA officers, including Norman Hall as president.

Boy Scout Troop 96, sponsored by the PTA, gave a flag ceremony and a reading, "I Am Old Glory," was given by Wayne Branson. The flag pledge followed. Newman Stiford is scoutmaster of the troop.

Guy Lahr, president, opened the meeting and reports were read by Mrs. Betty Warren, secretary, and Harold Brandon, treasurer.

Lahr introduced three school board candidates, Mrs. Mary Carich, Phil Dressed and Jerry Carich. Each gave a short talk, and members were urged to vote in the election to be held this Saturday.

The PTA will sponsor a "free market" on the school parking lot Saturday, April 25. Items are needed for the project, and those having anything to contribute, such as clothing, household goods and toys, may call Mrs. Jerri Copper, 831-1563, for pickup service.

Announcement was made that the annual school picnic will be held at Wilson Park Monday, May 25. Mrs. Charlette Hayes requested that those able to assist with the picnic sign up with her.

Miss Margaret Roberts, physical education teacher at the school, presented 62 students from the first through sixth grades in a demonstration of use of gymnastic equipment. The students worked out on balance beams, parallel bars and other items of gym apparatus.

Following the students' program, Mrs. Barbara Sherman, chairman of the nominating committee, read officers proposed for the coming year.

New officers elected were: Hall, president; Harold Brith, vice-president; Mrs. R. H. Hubbard, secretary; and Mrs. Pat Mullen, treasurer. Refreshments were served by members of the PTA executive committee. The next Maryville PTA meeting will be May 5.

Spring Theme For Trio Unit

The April meeting of the Trio unit, Madison County Homemakers Extension Association, was held Tuesday at Hope Lutheran Church. Mrs. Golda Thornburg and Mrs. Mary Ellen Lewis were hostesses, serving a dessert course from a table decorated with a floral centerpiece of tulips and baby's breath.

The major lesson for the day, "Building the Homemakers' Arsenal," dealing with lawn and garden care, was presented by a guest, Mrs. George Johannis, member of the Granite City unit. Mrs. Virginia Little gave the health lesson on "Water and Your Health."

Future activities announced

was a sewing lesson, to be taught by Mrs. Marie Cook and Mrs. Ada Matras, April 13 at 10 a.m. at the home of Mrs. Helen Oranich, 2558 Spaulding avenue, and a "craft day" May 5 at 9:30 a.m. at Hope Lutheran Church. Members are to bring sack lunches to both activities.

The annual meeting of the Madison County Home Extension units will take place at the Evangelical United Church of Christ in Highland Wednesday, April 29. Registration will begin at 9:30 a.m. and reservations must be in by April 20.

Other members present were

Mrs. Sandra Cook, 1840 Bremen avenue, was hostess to Nu Zeta Chapter of Beta Sigma Phi society last night. Tentative plans were made for a rummage sale later in the spring, and plans were finalized at a meeting of the social committee Monday evening in the home of Mrs. Jan Ash for a Mother's Day party and banquet at the Flaming Pit in Edwardsville on May 5.

Present for the meeting were

Mrs. Pamley, Mrs. Elynn Mae Curry, Mrs. Ash, Mrs. Barbara Johnston and Miss Marilyn Lumpkins.

HERE FROM MARYLAND

Out-of-town guests in the home of Mr. and Mrs. Norman Stotz, 2571 Hodges Avenue, during the weekend were Mrs. Eleanor Gallas and daughter, Patricia, of College Park, Md., former residents of Granite City. They returned home Monday following a week's vacation spent visiting friends and relatives. They also visited in the home of Mr. and Mrs. George Gallas sr., 2804 Warren Avenue, and Mr. and Mrs. George Gallas jr. and family, 2918 Marshall Avenue. They were guests of Mr. and Mrs. William Love and Mrs. Helen Rhemus, and Patricia was an overnight guest in the home of Mr. and Mrs. Adolph Keck and daughter, Sandy. Mrs. Gallas and her daughter arrived here from Belleville, where they had spent a few days visiting her mother, Mrs. Vera Keck, and her brothers and sisters.

Mrs. Gallas' husband, Peter, is employed by the government in Washington, D.C. The family, including three more children, lived in Granite City prior to moving to Maryland two years ago.

WEBSTER PTA TO SEE

ATHLETIC PROGRAM
Tentative plans were discussed for the annual school picnic June 4 during the April meeting of the Webster PTA executive board Monday evening. The president, Mrs. Anne Scrum, gave report on the picnic, of which Pat Schuman, sixth grade teacher, is chairman, assisted by several other faculty members.

A treasury report was given by Paul Lingle.

Several field trips for classes and a party for the school patrols were discussed. Eugene displayed fund-raising projects.

Mrs. Doris Stotz, chairman for a gift booth, announced that a meeting will be held at the school at 1 p.m. April 16; those interested in assisting with the program are to attend.

The April 13 PTA meeting will feature a program on sports and physical fitness, with students directed by Al Brueggeman, physical education teacher. Refreshments will be served by first and second grade room mothers.

Others present were Principal Lee, the clerk, Mrs. Eva Arbogast, the membership chairman, Mrs. Alma Buerke, Girl Scout representative, Mrs. Mae Lee, and vice president, Mrs. Allene Moore. The next executive board meeting will be May 4 at the school.

TROOP TOURS CITY HALL

Junior Girl Scout Troop 704 of the Webster PTA met at the school Monday for a tour of the Granite City city hall, led by the leader, Mrs. Mae Lee, assisted by Mrs. Betty Van Gilder.

Mrs. Lee announced that the cookies will be delivered Tuesday; money is to be turned in by an April 17-19 trip to Camp Keck. Each scout is to prepare menus for a breakfast, lunch and dinner.

The troop discussed plans to participate in a six-mile Mitchell Lewis and Clark pilgrimage which the Junior Scouts will do to the city hall, where Juvenile Officer Dusan Gajlich explained the recent arrest charts. The scouts viewed the jail and later met Mayor Partney.

Making the trip were Cheryl Brinkley, Mary Kay Chaplin, Enid Cox, Danna and Tammy DeFew, Tammy Fritts, Julie Forsy, Terry Hill, Carol Lee, Donna Long, Shirley Patton, Linda Paul, Pam Sartin, Rebecca Schorff, Shelley Siebert, Leisa Tervasi, Karen Tolan, Janice Van Gilder, Susan Welty, Pam Williams, Vickie Williams and a new member transferred from Emerson, Carolyn Norris.

Transportation was provided by Mrs. Van Gilder. Mrs. Shirley Tervasi and Clyde Lee. The top five cookie salesmen were announced as Patty York, Carol Griffin, Carol Lee, Pam Sartin and Carina Kuhn.

GAY TWENTIES MEETING

Mrs. LaVerne Wimberly, 4512 Walter Avenue, was hostess for the April meeting of the Gay Twenties Social club Tuesday evening in her home. The birthdays of Mrs. Dianne Hill and Mrs. Carol Lige were celebrated and they received gifts from their secret pals.

Mrs. Hill, president, presided and suggestions were offered for a dinner and outing with the members' husbands later this year. Tentative plans were made to attend the Mississippi Valley festival.

The club also discussed Christmas boxes to be filled with personal articles and cookies for residents of a nursing home.

Mrs. Hill informed the group

Venice Town Budgets Approved at Hearing

The new Venice township budget of \$173,384 for town fund and general assistance fund operations during the 1970-71 fiscal year was approved without change during a public hearing at the Venice town offices Tuesday night.

The new budget provides expenditures of \$75,868 in the town fund and \$98,168 in the general assistance fund. A public hearing and budget of \$125,500 was approved at a hearing March 31.

The new appropriations will be subject to final approval of township electors in the annual town meeting next Tuesday at the Venice city hall. The meeting is planned at 2 p.m. The new township tax levy will be passed at that time.

Inhalator Crew Aids Heart Attack Victim

The Granite City fire department inhalator was dispatched to the home of Mr. and Mrs. Elmond Dalley, 2949 Warren Avenue, at about 4:10 p.m. Tuesday, to aid Mrs. Ivy Hollis, 64, who suffered an apparent heart attack.

Mrs. Hollis, the grandmother of West Alton, Mo. She had suffered a heart attack two weeks ago and was residing with the Dalley family. Taken to Jewish Hospital Tuesday afternoon by ambulance, Mrs. Hollis is in the intensive care unit and is not allowed any visitors.

that one of its members, Mrs. Kathy Scholze, was admitted to St. Elizabeth Hospital for major surgery. The meeting was adjourned for a social hour and games were played, with all receiving prizes.

The hostess served a dessert luncheon to those named and Mesdames Jane Scaggs, Linda Nichols, Judy Rainwater, Dana Harper, Ann Mohle, Betty Pike and Jo Ann Beyer. The next gathering will be held at the home of Mrs. Beyer, 1747 Court-ney drive, May 5.

EAGLES AUXILIARY HONORED BY DISTRICT

Several local members of the Eagles Auxiliary of Aerie 1126 attended a District Eight meeting and luncheon at Belleville Sunday, receiving an award for presenting the most candidates for an initiation ceremony. Mrs. Helen Frazier, president, reported a yearly quota for initiates of 12; there have been 20 so far this year.

A past state president, Mrs. Frances Steinman, and state hospital chairman, Mrs. Mary Via, were among the officers honored. Miss Roy accepted a certificate for the secretary presented by the guest speaker, Mrs. Evelyn DuPont, state treasurer.

The Jerseyville ritual team was in charge of initiation proceedings. Those included included Mrs. June Wedler, Mrs. Helen Haack, Mrs. Patsy Buzick, Mrs. Valeria Dykes and Mrs. Naomi Carpenter. A luncheon followed the program.

Other members attending from the Quad-Cities were Mrs. Theresa Daigler, Mrs. Verna Shome, Mrs. Vera Hornyak, Mrs. Lucy Williams, Mrs. Edna Wyatt and Mrs. Caroline Moser.

A flag ceremony by Mary Ann Colbert and Sandy Thompson opened a meeting of Niedringhaus PTA Brownie Troop 47 at the school this week. The leader, Mrs. Jo Ann Wright, was assisted by Mrs. Barbara Schreiber, Mrs. Lois Wright, a new leader, was a guest.

The girls worked on a handicraft project for Mothers' Day. Karlene Powell, who observed her eighth birthday, provided cupcakes.

The Brownies participated in a dance, "Way Down Yonder in the Paw-Paw Patch." In attendance were those mentioned and Linda Bell, Jacklyn Boggs, Stephanie Brandt, Mitti Daniel, Elizabeth Dehti, Dava Christ, Pamela Gray, Julie Hutchings, Janet Lewis, Karen Haidler, Sandra Schreiber and Susan Seilheimer.

Plans to welcome several new members next week were made by Brownie Troop 492 of the Marshall PTA. Tuesday. The troop met with the leaders, Mrs. Skippy Kidman, 2616 Faith Avenue, and Mrs. Faye Wentz in the Kuhnman home.

Five scouts have perfect attendance records thus far this year. The troop completed carpet tile plaques for their families and tentative plans were made for a "May Day" event.

Ways to assist prospective members and the "buddy system" were discussed. Each older Brownie will be assigned to a member of the first grade level next Tuesday. The weekly meeting closed with a friendship circle and "Taps." Answering roll call were Laura Holley, Gary, Christy Peach, Lisa Pigalt, Kim Ragan, Rober Galsgauer and Sharon Werner.

PREPARE FOR BANQUET

Brenda Hudson led Brownie Troop 1136 in the pledge to the American flag and the Brownie promise Tuesday afternoon to open the troop's weekly meeting. Answering roll call were Julie Adams, Dana Buer, Shari Christ, Kim Filcott, Cindy Granger, Melody Hand, Tammy Haidler, Brenda Hudson, Beverly Jones, Robin Lorentz, Shelly Pohman, Lori Ramsey, Rebecca Rawden, Sharon Sack, Vicki Singleton, Cheryl Stogsdill, Lisa Ybarra and Jan Young.

The girls continued work on tissue flowers they started last week to be used for table decorations at a mother-daughter banquet May 12 at Lake School. Co-leaders, Mrs. Mary Lou Hudson, Mrs. Ruth Buer and Mrs. June Ramsey, discussed the "fly-up" ceremony which will take place at the banquet.

The troop sang the birthday song to Dana Buer.

Handkerchiefs Shady Lake, located just off Arlington drive, will open for the season this Sunday under the management of Howard Dille. The lake is owned by Mr. and Mrs. Bill Handfeler.

Fishing hours will be from 7 a.m. to dark, seven days a week. The lake is stocked with Northern Wisconsin catfish and carp, and there are picnic facilities.

Cancer Crusade Is Scheduled For April 24-26

Tri-City Area Cancer Crusade Chairman Mrs. Janet Partney announces that the crusade has been designated "Cancer Month" and a door-to-door solicitation by volunteer women will be conducted April 24, 25 and 26, to be preceded by a tea for all workers.

Assisting Mrs. Partney as co-chairmen are Mrs. Alice McGee and Mrs. Frankie Hickie. Captains who will conduct the residential canvases in specifically divided sections of the city, will be named at a later date.

Mrs. Partney said, "Hundreds of cancer patients all over Madison county and our own city have personally been helped with unlimited dressings, transportation to treatment centers when possible, nursing service and sick room equipment, all at no charge. Your dollars provide this service."

She added, "This year more than two million volunteers will be working toward a successful campaign in 1970. Everyone's total support will be needed to have a successful campaign in 1970."

Anyone wishing to volunteer to help may contact Mrs. Partney or calling 877-8459, 877-1428 or 877-0647.

14 Receive DeMolay Degree Here Tuesday

Officers of the James Stuart Chapter Order of DeMolay conferred the DeMolay degree on 14 new members during their regular meeting Tuesday evening at the Masonic Temple.

Members of the 51st DeMolay anniversary class included John W. Alsop, Carl Barnett, Phil Barnett, Randy Bergfield, Dennis Bernick, Gregory Christopher, Richard Harper, Stephen LeBlanc, John McVary, Dewey Obermeyer, Ralph Reeder, David Schermer, Randall Schrum and Larry Weaver.

Others present were Susan Turner, Diane Turner, Diane Parrish, Duane Parrish, Jim Tomsley, Ernie Edwards, Mary Beth Gordon, Judy Dublin, Don Rudolph and Kaye Daniel.

INTERMEDIATES MEET

Alicia Hendrickson was hostess to the Intermediate Girls Auxiliary of Third Baptist Church Tuesday night at her home, 2133 Gillespie street. Opening prayer was led by Carla Watkins, and Diane Greger read the prayer calendar.

Prayers for missionaries were read by the hostess. Colleen Fitzgerald led a discussion of business and a guest, Sharon McBride of Madison, was introduced.

The program, "One God, Many Religions," was given by Carla Watkins.

Tuna sandwiches, cake and

soft drinks were served by the hostess and her mother, Mrs. Ralph Hendrickson, to those mentioned and Janet Gauen, Cherie Fitzgerald, Pam Clark and Mona Clark.

The girls played charades and several Bible games. Colleen Fitzgerald directed the girls in playing a game.

BROWNIES PLAN HIKE

Brownies of Troop 1138 of St. Joseph school met Monday at the home of the leader, Mrs. Irene Nelson, 2332 Edison Avenue. Kathy Gary led the pledge of allegiance and Carmella Jochampier began the Brownie promise.

A discussion was held on a "climbing around" hike the troop will take with other local Brownie troops May 16. Wilson Park will be the destination.

Members who had not yet

made "sit-upons" began working on them, while the other girls discussed Mother's Day gift ideas.

The meeting was closed by Tammy Rigney. Others present were Carolyn Nelson, who assists her mother at the meetings, and Brownies Michelle Ann Beyer, Janet Nelson, Judy Theis, Elizabeth Szymek and Lisa Flanagan.

PRAYER GROUP MEETS

The Mission Prayer Group of First Baptist Church met Tuesday morning at the home of Mrs. Iva Olive, 2229 Grand Avenue. The hostess led devotions from a current study book.

Mrs. Myrtle Howell gave missionary names and birthdays. Nine get-well cards were sent and a fruit basket was taken to a hospitalized friend.

A luncheon was served to

those named and Mesdames Fern Affolter, Delores Carson, Lee Willis, Virginia Head, Velma Christian, Wilma Hudson and Pauline Harp.

A white linen tablecloth from the Philippines sent to the hostess by her mother, who is a missionary there, covered the luncheon table.

The group will meet again next Tuesday at the home of Mrs. Hudson, 2140 Grand Avenue.

FUTURE SLENDERETTES HONOR MRS. RIDINGS

Mrs. Peggy McGee led members of the Future Slenderettes club in reciting the Take Off Pounds pledge to open their meeting Tuesday evening at the East Side Levee office. Mrs. Christine Erspanner and Mrs. Helen Wilson recorded each member's weight, and pledges served.

for the coming week were taken by Mrs. McGee.

A report of the last meeting was read by Mrs. McGee, and Mrs. Pat Wickman gave a treasury report.

Members participated in new "static" exercises under the direction of Mrs. McGee. She announced that a special guest speaker will talk on weight problems at the next meeting.

"Queen of the week" was Mrs. Helen Wilson, who received the queen's pin from Mrs. Wickman. She was presented with a prize and a fruit basket and the group sang the "Queen's Song" in her honor.

A "retirement" party was held for Mrs. Villa Ridings, retiring 1969-70 club leader. Mrs. Wickman presented the guest Dick Nichols, Art Hoff, Bill Turpenoff, B. C. O'Neill, Herman Schroeder, Marie Szymek, Tom Drury and William Tholke.

TOP HAIR STYLISTS, Fred T. McCollegan, left, and Norman Brokaw of the Razor's Edge, 2880 Iowa street, display part of their collection of six awards earned at the first annual "Total Man" Barber, Fashion and Style Show in St. Louis last weekend.

'Total Man' Trophies Earned by 2 GC Men

Two Granite City men's hair stylists captured six awards last weekend in the first annual "Total Man" Barber, Fashion and Style Show, held at the Sheraton-Jefferson Hotel, St. Louis. Both are with the Razor's Edge barber shop, 2880 Iowa street.

Norman J. Brokaw, proprietor, won a first place medal and \$100 cash award in the "Boys Hairstyling" competition, using Jeff Martin of Hamel, Ill., as model.

Brokaw also earned two second place trophies in "Sculpture, Hair Styling," with John Cockrum of Granite City, as model, and in "Flat Top Styling," with Gerald Parnley of Granite City as model, and a fifth place trophy in the "Men's Hairpiece" contest, using Paul Crane of Granite City as his model.

In "Open Hairstyling" competition, Fred T. McCollegan, also of the Razor's Edge, won a second place trophy, for his work on Robert Fry of Granite City and a third place trophy in the "Open Hair Cutting Division," with model James Reed, also of this community.

The "Total Man" show consisted of two days of contests, with special attractions offered via fashion shows, sports demonstrations, educational workshops and entertainment by area television and radio personalities. St. Louis Cardinal Nelson Briles was among the dozens of models entered in competition.

Teacher and Parent Conferences Set

Classes in the 11 ungraded elementary schools in Granite City will be conducted on a half-day basis next Tuesday, Wednesday, Thursday and Friday for teacher-parent conferences.

On Monday, regular hours will be observed, while on Tuesday and Wednesday, school will be in session from 8:45 to 11:45 a.m. and the remainder of the day will be used for conferences. Afternoon kindergarten will not be in session.

On Thursday and Friday, school will be in session from noon to 3 p.m. Conferences will be held during the morning. School lunches will not be served on conference days.

Morning kindergarten will not be in session. Schools on this schedule will be Logan school, Logan annex, Frohardt, Lake, Maryville, Mitchell, Nameoki, Niedringhaus, Parkview, Wilson and McKinley from kindergarten level through the third grades.

Goodwill Seeks Items Stored or Discarded

Goodwill Industries is seeking contributions of clothing, furnishings or items which area residents are planning to store or discard during the spring house-cleaning season.

The contributions will help solve problems of the handicapped, disadvantaged and needy as they provide jobs, job training and rehabilitation. They are the "learning tools" by which the physically handicapped and socially handicapped and disadvantaged repair their own lives by repairing donated items.

All donations are tax deductible. Goodwill points out, and "tax" receipts will be returned and records of contributions will be kept for tax purposes. The donor determines the value of each item. Free pickup service can be obtained by contacting Goodwill Industries.

Car Damages House

The foundation and south wall of a house at 1009 G Street were damaged about 2:10 a.m. Tuesday when a car driven by Michael C. Levart, 512 Old Alton road, jumped the curb off Tenth street and crashed into the house. Madison police said the house was occupied by Josephine Smith. The entire front end of Levart's car was damaged. Levart was booked on a charge of careless driving and released on bond.

Expect 200 at Retail Clerks Convention Here

More than 200 officers and delegates are expected to attend the annual convention of Retail Clerks District Council No. 1 of Southern Illinois which will be held here Saturday and Sunday. The district council represents 36 retail clerks union chapters.

The Retail Store Employees Local 435 of Granite City will host the convention to mark the local chapter's 70th anniversary. The retail clerks union here was chartered in 1900. All sessions of the convention will be held in the Rose Bowl.

Saturday's activities will be limited to a banquet at 6:30 p.m. for international and district council officers. An executive board session is scheduled Sunday at 9 a.m. to precede the convention opening an hour later. Resolutions, committee appointments and reports by district officers will take up the morning session.

Paul Powell, secretary of state, will be among the speakers during the luncheon recess. Business sessions will reconvene at 2:30 p.m. and will include addresses by James T. Housewright, international president; Thomas M. Russow, vice-president and organizing director of the international's central division, and Robert Karmel, legal counsel of District One.

Election of officers and selection of next year's convention site will be among the closing items of convention business.

GC Township Annual Report

The annual audit of township funds was conducted Tuesday evening at the city hall by Granite City council members serving as the town board of auditors.

The reports, submitted by Supervisor Nelson Hagmann, are to be presented at the annual town meeting next Tuesday for approval by town electors.

A breakdown of the township funds follows: Town fund—\$178,481 receipts, \$158,321 disbursements with a balance of \$20,160 on Feb. 28; general assistance fund—\$186,775 receipts, \$148,001 disbursements and \$38,774 balance; and Illinois Municipal Retirement Fund, \$15,882 receipts, \$11,526 disbursements and a balance of \$4,356.

Kiwanis Preparing For Annual Boat Race

Vice-president George Groves presided at the monthly business meeting of the Kiwanis Club Monday night at the Rose Bowl.

Pete Jellen reported on the progress of the ticket printing for the annual Kiwanis Boat Races to take place on Sunday August 16 at the Bow Line Boat Club near the Hartford canal. Tentative plans were discussed for the club to provide special prizes such as a portable television set and several transistor radios for the boat races.

Inner-club chairman Pete Jellen began final arrangements for Regional Ladies Night to be held Wednesday, April 22, at the Round Table restaurant. The Collinsville Club will be host and guest speakers are to be from KMOX radio.

Jim Schreier, chairman for the committee on Support of Churches in the Spiritual Aims League began final arrangements in preparing a Kiwanis Granite City Church Directory, which will be ready at the meeting, which will take place on Monday, April 13.

Alley Clean Up In GC Proposed; Problem at Ditch

With the advent of sunshine and spring-like temperatures, Granite City Alderman Poulos called for clean up of alleys throughout the city with volunteer help.

He recommended to city council members Monday night that the city enlist the aid of Boy Scouts and that perhaps the city could call upon local truckers to provide their vehicles.

Street Supt. Warfield pointed out that alley work was in the street department's category and that it was considered union work. "You'll have to provide me with more men to do such a job," Warfield commented.

There was no council discussion on the proposal.

Drainage at Ditch

Alderman Rutledge, chairman of the Special Sewer committee, requested the services of City Engineer Kieberger to design drainage ditches along the sides of the East 23rd street and Narmok road paved drainage canals to prevent dirt from being washed into the main channel.

He pointed out that unless steps are taken, the concrete sides could be washed out and that removal of dirt from the bottom of the paved channels could become a never-ending project.

Rutledge said the city accepted the drainage system last November and that it would be more costly to call upon the design engineer to do the job.

The only opposing vote was by Alderman Parsley.

Widening Proposed

Alderman Boyd, chairman of the Street committee, said an initial committee meeting with the park district commissioners was held last week to review the city's proposal for widening Benton street.

An ordinance was adopted to establish a no-parking zone in front of a residence at 2151 Lee avenue. It was brought out the householder complained of trucks being parked in front of his home everyday. The ordinance was opposed by Alderman Poulos.

Referred to the city inspector was a letter of complaint from Mr. and Mrs. Lloyd Harlow, 2109 Johnson road, who said they were being annoyed constantly by dogs barking "at every child and car" at the nearby animal hospital. They said four large dogs were owned by Dr. L. H. Holt, who operates the animal hospital, and asked for a solution. Alderman Dawes said he had looked into the complaint and had learned there are two dogs.

Fair Business Control Should be Transferred

Michael J. Howlett, state auditor of public accounts, today suggested the business management responsibilities of the Illinois State Fair should be transferred from the fair manager to the Department of General Services.

He said specific responsibility for building, maintenance, remodeling and construction should be under direct jurisdiction of the division of architecture and engineering in the General Services agency.

Purchases of equipment, commodities and printing should be placed under the state purchasing agent and the supervisor of printing in General Services, he said, and pre-qualified bidders should have an equal opportunity to compete for profitable space locations through sealed bids.

"The fair manager should be relieved of business details for which management expertise is already available," Howlett added. "He should be free to run an exposition, to provide entertainment and to promote a fair that represents the industry, agriculture and skills of Illinois citizens."

He noted past accusations of mismanagement at the fair.

City 'Buys' Pipe That Damaged Auto

A Granite Cityman, whose auto was damaged Jan. 26 when it struck a section of drainage pipe lying on Felling road at the high school athletic field, appeared at the council session Monday night carrying the pipe.

Robert P. Allen, 4003 Maryland Manor court, had submitted a \$39 repair bill to the council in February, but no action was taken. He pointed out his wife was driving the car at the time of the accident and that the section of pipe had fallen off a city truck.

City Atty. Scroggins told council members he had learned the piece of aluminum pipe definitely had fallen off a city truck rather than a contractor's vehicle and advised payment of the repair bill.

The council voted its approval, and Alderman Dawes retrieved the pipe from Allen, giving it to Street Supt. Warfield.

Honor Mrs. Thompson At Chicago Luncheon

Mrs. Louise Thompson, 2914 Yale drive, and Mrs. Irma Taylor, 1736 Primrose avenue, returned home Monday evening from Chicago, where they attended a special luncheon of the Allied Orders of the Grand Army of the Republic. Mrs. Thompson was the honored guest at the luncheon.

The local members also attended the group's celebration of Gen. John A. Logan's birthday. A wreath was placed at his monument in Grant Park by Donald Berlin, commander of the Sons of the Grand Army of the Republic of Chicago.

An annual inspection tour took place at the Maywood Home, Maywood, Ill. The home is for widows and daughters of the veterans, and presently is serving 27 women. Members of the Allied Orders were guests at a dinner held at the home.

Two Granite Cityans In St. Louis Musical

Two Granite Cityans, Mark Rigby and Miss Patricia Dineff, will take part in a musical entitled, "The Best of Broadway," to be presented on April 10, 11 and 12 in St. Louis by the Youth Group of Sakors Gardens complex.

Rigby is a senior at GCHS and is a drummer in his own band, Miss Dineff, music teacher at Niedringhaus and Logan school, will perform as a pianist.

Both musicians have, for the past two years, accompanied musicals given here by the Roca Young Men's Club of which Rigby is a member.

Music for the play is taken from 14 Broadway plays including The Music Man, Damn Yankees, Guys and Dolls, South Pacific, My Fair Lady and Gypsy.

Evangelists to Sing Here Monday Evening

The Evangelists, mixed choir of the Northern Bible College in Minneapolis, will present a sacred concert at the Tri-City Park Tabernacle, Maryville road and Clark avenue, on Sunday at 7 p.m.

The Rev. L. B. Larsen, chairman of the music department of the college, is the choir director, and included in the 40-voice repertoire are favorite anthems, hymns of the church and contemporary Gospel songs. Various instrumental ensembles accompany the singers and are featured in the program, including twin marimbas and a harp.

Burglars and Car Thieves Busy this Week

Burglars and car thieves were active this week in the Quad-Cities with three burglaries and five vehicle thefts reported.

Joseph Hans, 234 East 25th street, reported at 9:20 p.m. Tuesday that a .22 caliber automatic valued at \$49, a .22 caliber hammer valued at \$70 and an 8 mm movie camera and projector valued at \$261 were stolen in a burglary of his home after 7:30 p.m. The rear door was forced.

John Reiske, 18 Del Rio avenue, reported to the Madison county sheriff's office at 4 p.m. Monday that his farm shed was entered by burglars who pried a door open.

Taken were 30 gallons of gasoline, a battery from his tractor, an assortment of tools and an electric saw. He said the tractor was damaged as the headlights were broken, the seat and umbrella were slashed and gravel was placed in the gasoline tank.

Wilson School Burglary
Burglars broke into Wilson school, pried open a vending machine and took an unknown amount of soda and money. It was reported Monday.

The boiler room door was pried open and a window was removed from a teachers lounge.

A 1963 auto belonging to Ann J. Barco, 1727 Walnut street, and reported stolen at 8:20 p.m. Tuesday from near the Washington theater was found by police at 9:30 p.m. at St. Clair avenue and Maryville road.

In the car were two snow tires which had been reported stolen at 9:20 p.m. from the auto of Ronald Mueller, Collins-

MRS. CRAWFORD

ville, at Ponton Plaza where it was left setting on a jack. The tires were returned to the owner.

Stolen Car Wrecked
A 1970 auto owned by John Steward, 4949 Lakeview drive, reported stolen at 1:30 a.m. today while parked at Ralph & Charles's restaurant in Madison, was found abandoned and wrecked at the Tri-Mor Bowl by Granite City police at 3:50 a.m. It was towed to a garage.

The 1964 model auto of Charles L. Cholewick, 1700 Market street, Madison, was stolen during the night from in front of his home. Cholewick reported to Madison police at 7:05 a.m. yesterday.

Raymond Robbins, 2410 Cardinal avenue, reported at 7:25 a.m. today that his white-over-metallic 1963 two-door auto was stolen from his driveway at 9:30 p.m. at St. Clair avenue and Maryville road.

David Grundstadt, 1902 Kirkpatrick Homes, reported at a.m. today that his 1965 metallic blue motorcycle was stolen from his back yard.

Mrs. Crawford, Retired Madison Librarian, Dies

Mrs. Sadie M. Crawford, 83, of 1725 Fourth street, Madison, former librarian at the Madison public library, was pronounced dead upon arrival at St. Elizabeth Hospital at 7:15 a.m. today.

She had been ill six weeks and was brought by ambulance to the hospital from the Caseyville Nursing Home, where she was a patient the past two weeks.

Mrs. Crawford had resided in the Quad-Cities for 52 years. Prior to retirement ten years ago, she was employed 27 years as librarian at the Madison public library. She was a charter member of the Minerva Reading Club of Madison and a member of the First Presbyterian Church of Madison.

Born in Shawneetown, Ill., Mrs. Crawford was widely known in the local community for her efforts in behalf of the library and other activities with various civic organizations. Her husband, Frank Crawford died in 1948.

She is survived by one sister, Mrs. Susie Wachter of Caseyville; two nieces, Mrs. William (Bernice) Gushoff, with whom Mrs. Crawford resided, and Mrs. Doris Gundlach of Belleville; a nephew, Frank McGee of Venice; and several nephews and nieces residing in the San Diego area.

Funeral arrangements are given in the obituary column.

Girl, 6, Hit by Auto: 11 Others Hurt in 17 Mishaps

A six-year-old girl was injured when struck by an auto and four other persons were hurt, one critically, in a single mishap as the Quad-City area tallied a traffic toll of 12 persons injured in 17 accidents occurring since Monday.

Dana Jones, six, daughter of Mrs.-Janet Jones, 2306 Benton street, was injured when she was struck by an auto driven by Charles O. Midyett, 3224 Mockingbird lane, at 4:15 p.m. Monday in the 2000 block of Johnson road.

According to the accident report, three girls ran from between parked cars and two of them tried to cross, but when Midyett tried to turn right to avoid them, the left fender of his car struck the Jones girl. She slid across the fender of the small foreign sports car and hit the windshield, breaking it. The girl was admitted to St. Elizabeth Hospital with contusions to the left ankle and a one-inch scalp laceration. X-rays were taken.

Four Persons Injured
Four persons were injured, one critically, when an auto driven by Mrs. Dicy Andrius, 49, of 906 Washington avenue, Madison, was struck by a car driven by William L. Wykoff, 36, of Collinsville, at 7 p.m. Tuesday on Collinsville road at Sand Prairie lane.

Mrs. Andrius was admitted to the intensive care unit of St. Elizabeth Hospital. She suffered back pains, cuts to the arm and shoulder and a hip contusion.

A passenger in her auto, Mrs. Anastasia Andrews, 49, of 2287

MORE ABOUT Democracy

ministration are doing a job beneficial not only for themselves but also for our community, state and country.

"But, by the actions of a few individuals, our school could easily become a like many schools in the state—spending more time on disorders and classroom disruption than in learning."

He noted that graduating students are earning \$250,000 annually in scholarships and vocational and business education graduates here in the demand.

GCIS "has kept up to date in spite of handicaps, with most of the innovations in curriculum, including team teaching. There are accelerated classes in English, mathematics, science and social studies. This year we added a data processing center to fill an important need in a computer society."

Local Voice in Modular Plan
"This year the National Honor Society was asked to select subjects they thought should be taught, and for the first time in history we will have modular classes—three-hour and a two-hour classes. These are student-selected courses that are electives and supplement the social science, English and science fields."

"Not only through the classroom but in the many areas of extracurricular activities, students more than have the opportunity to express their ideas and opinions."

"Last year all our new teachers signed contracts not knowing exactly what salary they would make. Many stated they wanted to teach in Granite City because of its reputation for teachers being able to teach without harassment from students and knowing they would be backed by the administration and board of education."

'Radicals' Was a Quake
Discussing a charge that he had said all students with long hair are anarchists and classed the radicals, the principal said, "This is entirely false."

"The remarks were a quote from a 17 St. Louis newspaper article headed 'Graduates' Job Gravy Train Goes Dry' and were presented for the information of student council members."

The article said, "Seniors and graduate students are competing harder with each other for the jobs available and some are even making the supreme sacrifice—their hair and the chips on their shoulders."

McCauley noted that the GCIS dress code has caused the most of the criticism by a few students and parents. It is a problem that must be worked out. But when any law is adopted by the board of education it is, by Illinois law, just as much the law of the school district as if it had been passed in the state legislature and it must be enforced."

Parents Support Policies
Mrs. LaVenka Meyer spoke and presented a statement with 35 signatures of parents "representing the vast majority of solid, clear-thinking, law abiding students who appreciate their schools and the educational experiences they are receiving."

"We are most happy that we don't send our children to school in constant fear of muggings, knifings, gang intimidation and other severe disorders. Thank God, we don't have armed police in our halls," Mrs. Meyer said.

"We feel fortunate that hippies are negligible, that drug addiction is being confronted and that our student body still appears neat, clean and decent. We are the silent majority, finally being awakened to the speaking majority. We are all aware that our schools are not perfect."

Shooting Victim Was Former GC Resident
James A. McLaughlin, 37, who was shot and killed in St. Louis early yesterday morning, was a former resident of the Granite City area. It was reported today. McLaughlin recently had been living at 1127 North 47th street, Washington Park.

McLaughlin, employed as a switchman at the Alton & Southern Railroad, apparently was shot through the closed window of his pickup truck as he stopped at an intersection in East St. Louis.

His truck continued on to crash into a utility pole. A resident called police and an ambulance who found both truck doors locked. The left window was partly shattered by a bullet. Police said robbery apparently was not the motive. A money clip containing \$184 was in his pocket and an expensive wrist watch still on his arm.

McLaughlin's body was taken to Sedalia, Mo., where services will be held.

Traffic Accident
The rear of an auto driven by Ruth Pope, 1633 Moro avenue, who had stopped, was struck by a car driven by Kathryn A. Lenz, 2369 Spalding avenue, at 5:30 p.m. Wednesday at Johnson and Ponton roads.

Traffic Signal Ticket
Janice M. Fehner, 2446 Cleveland blvd., was issued a traffic signal violation ticket at 1 a.m. Wednesday at Nameoki and Johnson roads.

Canvass Shows Smith Won 414,489-271,648

The State Electoral Board on Tuesday canvassed results of the March 17 primary election, declaring that U.S. Senator Ralph T. Smith won the Republican nomination with 414,489 votes to 271,648 for William H. Rentschler and 18,244 for Lar Daly. Democrat Adlai E. Stevenson III polled 676,859 votes.

For state treasurer, Democratic Alan J. Dixon received 364,021 and Republican Edmund M. Kucharski 364,682. For state superintendent of public instruction, Democrat Michael J. Bakalis received 556,732 and Ray Page, GOP incumbent, tallied 561,149.

Total ballots were 819,862. Democratic and 759,625 Republican.

Nameoki Fund Reports Filed at Special Meet
Annual reports on operation of the general assistance fund and the township highway department of Nameoki township were submitted in a special town board meeting Tuesday night for Supervisor Harry Briggs and by Township Highway Commissioner Charles Hanks.

Both reports were posted for public inspection at the town hall. Briggs was unable to attend the meeting. Hanks pointed out his report and inventory covers the year of March 15 to March 15, although the highway department's fiscal year is from Sept. 1 to Aug. 31.

Y's Men Will Lead Recreation Program
Tri-City Area Y's Men will conduct a general recreation program for elementary school-age children Saturdays between 10:30 and 11:30 a.m., beginning this Saturday.

Location will be the West Madison memorial center, and plans include movies, singing, games, outdoor activities and crafts.

Officers contacted the express company in Minneapolis and were informed that the money order blank used by King was one of a consignment of order blanks stolen from a parcel post shipment assigned to McComb, Ill. Ten or 12 of the blanks were used to cash fraudulent money orders in Lorraine, Ohio, and Cleveland, Ohio, the express company told police.

FBI agents entered the case Tuesday evening and questioned the defendants, but gave no indication as to whether they planned to file charges.

Dobrey Slough Canal, New Lake Culvert Get Approval

A two-point program to improve drainage facilities in the Quad-City area was given the go-ahead by the East Side Levee and Sanitary district yesterday at the urging of William "Mike" Ebersold of Venice, Madison county member of the levee board.

The trustees authorized Ebersold to retain the engineering firm of Sheppard, Morgan & Schwaab of Granite City to prepare plans for a ditch that would provide drainage for the Dobrey slough area of Nameoki township, just north of the Granite City limits.

In addition the trustees approved a request by Ebersold that the Granite City Steel Co. be permitted to install an additional large culvert at the southern edge of Horseshoe Lake about one-half mile west of Route 111 to facilitate drainage of the lake into the Cahokia Canal. The new culvert would be located adjacent to two present 36-inch culverts.

Ebersold said engineering plans for drainage of the Dobrey slough area, one of the hardest-

hit districts in last year's heavy rains, are necessary to negotiation for right-of-way. He said people living in the area are willing to provide the right-of-way when the levee district demonstrates its intent to do something about the area's flooding problems.

Details Await Study
The drainage program would call for construction of a drainage canal that would connect with the levee district's Nameoki area drainage canal originating at Ames avenue behind the Nameoki Methodist Church, but details must await an engineering study, the levee board member said.

Ebersold said he expects the project to cost between \$20,000 and \$30,000.

In asking authority for installation of the culvert from the Granite City Steel Co., which would be done by Granite City Steel Co., whose officers feel it would be to everyone's advantage to lower the level of the lake. It is estimated the additional outlet, which would be equipped with a control gate, would lower the lake level by one to two feet, he added.

A lower lake level would provide the entire Quad-City area a greater drainage basin in the event of heavy rains. In addition, Ebersold said, a lower lake level would reduce the amount of water pouring over the spillway at the Cahokia Canal control gates just east of Route 111, and thus provide better drainage at that point in rainy periods.

Cost About \$9000
Cost of the culvert project, which would be paid by the steel company, has been estimated at about \$9000, Ebersold said.

The board approved installation of the culvert by the steel company subject to approval of the final plans by levee board engineers.

Ebersold said that he met recently with the Pollution committee of the Tri-Cities Chamber of Commerce to discuss drainage problems in general and that he presented the Dobrey slough drainage and the Horseshoe Lake culvert plans to the committee. He said both plans were highly acceptable to the committee.

The levee district yesterday approved claims of \$20,900 for March and a March payroll of \$49,475. A report by Levee District Treasurer Thomas Staicoff showed the levee district obtained \$300,000 through sale of anticipation warrants to the Bank of Cahokia last month. Other income brought total

Food Stamp Program Aids 179,000 Persons

Over 179,000 persons in all 102 Illinois counties received food assistance through the U. S. Department of Agriculture's Food Stamp Program during February, according to Dennis M. Doyle, midwest regional director of Food and Nutrition Service.

The total included 163,447 persons on public aid and 15,798 other persons in need of food help.

During February, Illinois participants received nearly \$3.9 million worth of food coupons of which nearly \$1.1 million were bonus coupons. This was a bonus average of \$6.03 per person.

By participating in the Food Stamp Program, low-income families can buy more food by exchanging the amount of money they normally spend on food for coupons worth more than they paid, Doyle urges families not getting enough food to look into the program by contacting the local welfare office.

March receipts to \$355,872 and total available income to \$450,859.

March expenditures, however, amounted to \$316,839, leaving a March 31 balance of \$133,220.

1st Madison Bank Rejects Loan to Levee District

The First National Bank in Madison has turned down a loan of \$50,000 to the East Side Levee and Sanitary district under the district's 1970 deficit financing program in which it plans to borrow \$700,000, it was disclosed in a meeting of the levee district board of trustees in East St. Louis yesterday.

Levee board members adopted an ordinance amending its original bill for sale of anticipation warrants so that the \$50,000 warrant offered to the Madison bank may now be sold to the Bank of Cahokia.

As a result, the district's total of \$700,000 in anticipation warrants will go to the Bank of Cahokia this year.

Dr. John E. Lee, president of the Madison bank and mayor of the city of Venice, said the bank rejected purchase of the \$50,000 warrant from the levee district because "we already are carrying one \$50,000 warrant for them," and an additional loan in the same amount would have exceeded the bank's legal loan limit based on a percentage of the bank's assets.

Battery Charges Filed

Nora J. Lewis, 25, and Kenneth R. Lewis, 29, both of Collinsville, were arrested at 11:20 a.m. Tuesday by Granite City police on battery charges. They were released on recognizance bond of \$1500 each pending hearings.

Street Littering Charge

Milton Dunscombe, 21, of St. Louis, was arrested at 9:20 p.m. Wednesday on a charge of littering the street at 25th street and Madison avenue.

trict's treasurer, Thomas Staicoff of Pontoon Beach, submitted to the board yesterday, showed that the district's revenue of \$355,872 during March included \$300,000 from the sale of five anticipation warrants to the Bank of Cahokia.

Cigaret Causes \$750 Fire at Apartment

A live cigaret apparently caused a bed to smolder for several hours in an upstairs room of the apartment of Mrs. Esther Beck, 803 Kirkpatrick Homes, before she became aware of it and called the fire department at 2:35 p.m. Wednesday.

Damage was estimated at \$500 to the interior and \$250 to the contents, mostly from smoke and water, and firemen reported that the smoke was dense on the second floor. Firemen were on the scene about an hour.

Another fire caused \$300 damage to a two-car frame garage and \$100 to the contents at the home of Carl Straub, 2650 Edwards street, at 1:45 p.m. Wednesday. Burning trash was listed as the cause. Firemen were on the scene 50 minutes.

After extinguishing a grass fire at 6:45 p.m. Wednesday at 3032 Nameoki drive, firemen ran across some burning ties at the 26th street railroad crossing on the way back to the station, serving a double purpose on the trip. There was no damage.

Another weed fire was extinguished at 5:25 p.m. Wednesday on Wilson Park drive.

Venice Council Ready to Enact Zoning Ordinance

Plans for creation of a Venice Zoning Commission in preparation for adoption of a city zoning ordinance were advanced by the Venice city council Monday night.

Venice already has a nine-member City Plan Commission which has been meeting regularly in recent months.

Mayor John E. Lee asked City Attorney Harry E. Hartman to prepare ordinances providing for establishment of the Zoning Commission for presentation at the next regular council meeting April 17. The Venice council met Monday night in a session postponed from the regularly scheduled day last Friday.

Hartman explained that the Zoning Commission should consist of nine members and would be charged with the duty of initiating zoning regulations. It then would go out of existence and action on zoning matters would be taken by the Plan Commission, subject to city council confirmation.

Zoning Ordinance Ready
Venice has a zoning ordinance which was prepared by the Southwestern Illinois Metropolitan Area Planning Commission along with a joint Venice-Madison Development Plan and a land use plan. The zoning ordinance must be in effect before the city can qualify for federal aid in a Neighborhood Development program of home construction.

The home construction program and necessary applications for federal aid are now being prepared by Daily & Associates, a St. Louis planning firm, and cannot be completed until the city has its zoning ordinance in effect.

Mayor Lee instructed department heads during Monday night's meeting to set up meetings with their respective council committees to check over budget figures for the 1970-71 fiscal year which begins May 1. He warned that the city will "have to tighten up considerably" during the next fiscal year if any salary increases are to be considered.

Seeks Fire Call Record
The mayor requested that Fire Chief William Meehan provide him with a record of all fire calls made to Eagle Park Acres during the fiscal year now ending, along with a record of any compensation from insurance companies that might have been received by the fire department.

City Treasurer Bernard Anderson reported that the city ended March with a balance of \$98,775 after payment of \$87,386 in disbursements. The report showed income during March of \$91,230, including \$80,164 in a final tax settlement from Venice Township Tax Collector Frank Reidelberger.

March expenditures included \$12,274 for operation of the police department, \$9731 for the street department, \$4691 for garbage collection, \$2727 for the fire department and \$3295 in salaries for city officials. Henry McMullen, manager of McKinley Bridge, reported 254,603 vehicular bridge crossings during March. These included 57,915 the first week, 58,908 the second week, 56,815 the third week, 56,428 the fourth week and 24,587 during the last three days.

Mrs. Nell Whaley, 44, Former Resident, Dies

Mrs. Nell Whaley, nee Hefflin, 44, of 1460 Ascot avenue, St. Louis, a former Granite Cityan, died at 6:30 p.m. Monday at St. Elizabeth Hospital where she had been a patient for two weeks. She had undergone chest surgery and had been treated for emphysema prior to entering the hospital.

Born in Dover, Tenn., she came to this area at age 14 and made her home here until five years ago when she moved to St. Louis. Survivors include her husband, George; her parents, Mr. and Mrs. Gilbert Hefflin of Granite City; three sisters, Mrs. Willie Blaylock and Mrs. Ann Kincy, both of Granite City, and Mrs. Opal Peterson of Baltimore, Md.; two brothers, Dean Hefflin of Madison and Louis Hefflin of St. Louis. A funeral mass was conducted at 10 a.m. today at St. Thomas Catholic Church, St. Louis, and burial was in Sunset Hill Cemetery, Edwardsville township.

MISS SHELTON Instructor

23 RNs Enroll in SIU Class at St. Elizabeth

With the start of Spring Quarter studies at the Southwestern campus of Southern Illinois University, a special program of extension classes for registered nurses was initiated this week by the university at St. Elizabeth Hospital.

The 11-week course, consisting of weekly classes, held at 4 p.m. Tuesday in the Wiseman Room at the local hospital is being taught by Miss Barbara Shelton, an instructor in the SIU-SW Division of Nursing. Two college credits may be earned by participants who satisfactorily complete the course. A group of 23 registered nurses from the Quad-City area is enrolled in the program, which is entitled, "Social Forces of Nursing."

The course presents a perspective of nursing; the social heritage of nursing services; preparation for complete nursing roles and segments dealing with the professional nurse in present day society.

The accredited extension series is directed by SIU-SW School of Nursing, in conjunction with St. Elizabeth Hospital staff and administration.

Bubblemasters Plan Bahama Dive in June

The Bubblemasters Scuba Diving Club of Granite City will hold a "ditch treat" dinner for members at 6:30 p.m. Tuesday at the Rose Bowl restaurant, Dr. Chris Geroff, club President said today.

A regular business meeting at 7:30 p.m. will replace the club's Sunday afternoon program at the YMCA, Dr. Geroff said. All members unable to attend the dinner are urged to attend the program, which will include colored slides showing underwater photography, techniques and movies taken on Andros Island in the Bahamas, by Dr. Geroff. The Bubblemasters are planning a diving trip to the Bahama region in late June, Barry Maycock, club secretary said.

Members also will complete plans for two diving excursions to Table Rock Lake, Mo. April 18-19 and May 2 and 3. Edward Duffin will report on activities at the Mid-West Diving Council's convention, recently held in Kansas City, Mo.

GC Park District to Offer 8 Muny Trips

Starting with the musical comedy, "Promises, Promises," on July 7, featuring the complete Broadway cast, the Granite City Park district again will offer a series of special weekly theatre trips to the St. Louis Muny Opera, Harold Brown park superintendent said today. Reservations for eight shows presently are being accepted by calling the Wilson Park office, 677-3030. An average of 40 seats already have been booked by local patrons for each show. All trips will be made on Tuesday evenings, Brown said, noting that ticket prices may be slightly higher this season due to the quality of productions.

Brother of GC Woman Dies at St. Libory

Leon K. Penland, 61, of St. Libory, the brother of Mrs. Arvin (Mary) Whitecotton of Granite City, died Monday at his home, following a lengthy illness. Funeral services will be held tomorrow at an Okawville funeral home. Survivors include Arthur B. Hickel, 74, of the Lansdowne Towers, East St. Louis, who formerly worked in the accounting department of Chicago Northwestern Railroad in Madison for 33 years, died yesterday at Christian Welfare Hospital, East St. Louis. Funeral services will be held Friday at an East St. Louis mortuary.

Bitten by Dog

George Jones, 69, of 404 Weaver street, Venice, was bitten on the right hand by a dog Tuesday and was treated at St. Elizabeth Hospital. Venice police said the dog was owned by Denver Swan, 330 Weaver street, and was ordered confined for observation.

Volunteers Seek Longer Hours

Candystriper Walkout Continues, Meeting Set

A walkout by St. Elizabeth Hospital Candystripers seeking to work longer hours without pay continued this week with some likelihood that they would return before Monday.

The Junior Volunteers, who serve without pay, have called a public meeting for 1 p.m. Saturday in the basement of the Tri-Cor Medical building to air views on enforcement of an old hospital policy to limit their working hours from 4 to 6 p.m.

The hospital's lay advisory board endorsed the policy on Monday and sent a letter to parents explaining the concern of the hospital about the safety of the youths when they leave their work after dark and on the effect of longer hours on their education and social life.

Sister Mary Thomas, hospital administrator, said the boys and girls are very fine about it. They want to work longer hours without pay, but we are concerned about their safety.

No Recruitment

She said she had contacted the administration at Granite City high school for assistance in gaining understanding of the policy, but that no effort nor discussion has occurred on the possibility of seeking a new group of Candystripers.

Some of the youths and their volunteer director, Mrs. Louise Sedlack, were under the impression that a recruiting campaign would be instituted if the Candystripers had not returned by Monday.

The walkout began Saturday after Mrs. Sedlack was informed of the policy enforcement in a brief note left in her mail. She said she was denied an interview with a hospital administrator to discuss the matter but was told she could ask for an appointment the following week.

As a result, she also has remained away from the hospital this week, though she said she has not submitted a formal letter of resignation upon the request of the Candystripers. She has been urged to attend the Saturday meeting.

Mrs. Sedlack generally trains and directs a staff of 100 Candystripers. About 70 youths currently are involved in the walkout, and the director said she was planning to train a new group of 30 young men and women.

Susan Holder Wins Grigsby Spelling Bee

Susan Marie Holder, daughter of Mr. and Mrs. Wallace Holder, 620 Fleming avenue, Mitchell, won the 1970 Grigsby junior high school spelling "bee" last week.

She will advance to eliminations for the St. Louis district of national spelling competition April 18-25. The finals are set for May 9, and the winner will go to Washington, D. C., to compete in the national contest in June.

Miss Holder is an eighth grade student. Another eighth grader, Paul Steven Cooke, son of Mr. and Mrs. Willie Cooke, 3706 Ruth drive, was selected as the Grigsby school alternate.

Enunciator for the Grigsby event was Barry Freedman. Judges were Mrs. Mary Turner and Kenneth Spalding.

Other Grigsby contestants, representing "black" English and studies classes, were:

Christine Allen, Coral Atkinson, Barbara Barnett, James Belling, Linda Bennett, Laura Boker, Keith Callender, Linda Chastain, Pam Chilcutt, Victor Coleman, Cheryl Davis, Mary Lou Dawson, Lane Gravitt, Mike Grisham, Lisa Grootfuis, John Harding, Diana Hawkes, Donna Johannigmeier, Cheryl Kindie, Janet Kstoft, Sandy Meyer, Donna Murphy, Mike Ren, Denis Robertson, Richard Rusick, Bill Sampson, Edward Schmidt, John Scott, Leon Scroggins, Raylees Sutton, Mike Waldo, Dan Woods and Richard Worthen.

Kirkpatrick Teens to Sponsor Dance Friday

Area teens, between the ages of 12 and 19 years, are invited to attend a dance from 7 to 11 p.m. Friday at the Kirkpatrick Homes recreation center. Sponsored by the Kirkpatrick Teen Club, the event will feature music for dancing, played by the "Static."

Single admission to the dance will be 35 cents, with 65 cents charged for couples, Pete Walser, Teen Club president said today.

At a club meeting earlier this week, plans were made to sponsor a fish fry in May. Bill Wheelstone was named project chairman to be assisted by Mrs. Lucille Kramer, the group's adult adviser.

Canada Trip to Follow Arkansas Fishing Meet

The annual father-and-son fishing tournament was held April 3-5 by members of the Triangle Junior Rod and Gun club. A car caravan left Granite City for Norfolk Lake, Ark., site of the weekend's activities.

Trophies were presented to the following winners: Pete Krieschok, largest black bass; Jim Robbers, largest white bass; Brad Bickhaus, largest crappie; and Chuck Morris, most black bass. All the prize catches were caught either with a white single bass bug or a jaw breaker lure, both made by the club. The boys make eight different lures, sold at local stores, to help defray costs of group trips.

A "shore lunch" was enjoyed with the boys serving their fathers. At the lunch site, several of the boys found Indian relics near an area where a group of archeologists was working.

Instructor for the club is Ben Morris.

Those who made the trip were: Walt Wilson and son, Brian; Ernie Bickhaus and son, Brad; Buster Patton and son, David; Henry Muvleart and son, Lou; Chuck Morris and son, Chuck; Balazs Magyar and son, Rory; and Mark; Pete Krieschok and son, Pete; and Tim Datchik and son, Joe; Elmer Reinhardt; Genere Grimm; Mark Coy, John Niebur, Jack Rodegers and his nephew, Rick, Jim Robbers and Pat Cowie.

A two-week father-and-son Canadian trip is planned for June. The fish and game commission in Manitoba has invited the club to visit and observe its work. Plans also are under way for a mother-and-son trip in the fall.

Miss Corzilius to Swim in Monticello Show

Miss Karen Corzilius, daughter of Mr. and Mrs. William Corzilius of 2100 Lindell blvd., a student at Monticello College will be taking part in the annual water show at the college Friday and Saturday.

The show using a theme of "Stories Made Famous by Walt Disney" will be presented at 8:15 p.m. both nights in the Hatheway Hall pool. The public is invited admission free. Presented by the Marine Club and swim classes at Monticello, the show will be a combination of synchronized swimming and an exhibition of swimming and diving skills.

State to Hold Career Examination at SIU-SW

A recruiter from the Illinois Department of Personnel will be at Southern Illinois University-Southwestern Wednesday to confer with seniors concerning an Illinois professional career entry examination to be held April 18 on the campus.

Interested seniors may contact the placement office for an appointment.

In loving memory of ROY PERGUSON SR., April 9, 1907, WIFE AND FAMILY 33-44

In loving memory of J. PERRY HAWKINS, April 9, 1902 and LUVINNE HAWKINS, April 1, 1906. April showers fall on flowers, Tear drops fall like rain. An empty heart, never after. Only heartaches remain. Sadly missed by THE FAMILY 33-49

In loving memory of SAM R. VENDITTO, April 8, 1909. A boat at midnight sent alone To drift upon the moonless sea. A lute, whose leading chord is gone. A wounded bird, that hath but one imperfect wing to soar upon. Are like what I am, without thee. Sadly missed by WIFE 33-49

In loving memory of my husband, JOE CHEPELEY, who passed away one year ago April 12, 1909. LILLIAN. I am alone He slipped away No time to say goodbye or talk Of things to do or left undone. But only memories of the smile And helping hand he gave To aid, if day or night, I miss his voice, the key in door Or motor sound in drive But know it was God's will To spare him illness and great pain. And most of all, I miss his love The days go by, but nights are long. And I'm alone. 33-49

BAPTISMAL DINNER

Christopher Sinclair Ashley, infant son of Mr. and Mrs. Larry Ashley of Danville, Ill., was baptized Sunday at St. Peter's United Church of Christ, Granite City.

In observance of the event, a dinner was held at the home of the paternal grandmother, Mrs. Dorothea Ashley, 1737 Third street, Madison.

Those present were the godparents, Mrs. Jeanne Duff of Tonic, Ill., and George Biggins of Creve Coeur, Mo.; Mr. and Mrs. Larry Ashley, parents of the baby; and Mrs. George Biggins of Creve Coeur, Mrs. Barbara Corgiat of La Salle, Ill., Miss Nancy Sinclair of Caseyville, Mo. and Mrs. Alan Sinclair and son, Alan, of Granite City.

and Jeffrey Ashley of Danville. The Ashleys are former Madison residents.

ENTERTAINS CLUB

The Jolly Matrons club met Tuesday in the home of Mrs. Helen Tule, 1509 St. Clair avenue. The hostess served refreshments to Mrs. Barbara Wood, Mrs. Margaret Gish, Mrs. Marlene Serini, Mrs. Elva Martin and Mrs. Beanie McFalls.

Games filled the remainder of the afternoon, with prizes awarded to Mrs. Wood, Mrs. Gram and Mrs. Thiele. Mrs. Wood invited the members to her home in Mitchell in two weeks.

LADY DEMOCRATS MEET

The Madison Ladies Democratic club met Monday evening at Sportsman's club.

Mrs. Sophie Kraus, vice-president, presided over the business session. Miss Judy Kraus, president of the club, is a patient in St. Elizabeth Hospital.

The pledge of allegiance and prayer were led by the chaplain, Mrs. Hazel Swigert. The members had held a social re-

cently, and a report was given on the event.

During a social hour, Mrs. Sophie Derner and Mrs. Kraus, hostesses, served refreshments to Mrs. Juanita Brown, Mrs. Ida Dant, Mrs. LaVerna Harris, Mrs. Cora Barr, Mrs. Veronica Kula, Mrs. Florence Spohr, Mrs. Frances Trouts, Mrs. Lolla Goclan, Mrs. Ann Bialczak, Mrs. Josephine Knezevich, Mrs. Marie Hlava, Mrs. Mary Yobky, Mrs. Maxine Costoff and Mrs. Georgia Graham.

MRS. STOCKTON HOSTESS

The Past Noble Grand club of the Delray 786 Rebekah lodge met Tuesday evening in the home of Mrs. Thelma Stockton, 1923 Fifth street. Mrs. Lucille Yeach was co-hostess with Mrs. Stockton.

A business meeting was conducted, with plans made to make "ditty bags" in the fall. Each member is taking an item to the meeting each month to be placed in the bags.

A social hour followed, with Mrs. Mary Connole, Miss Margaret Brown, Mrs. Althea Gray, Mrs. Minnie Perry, Mrs. Ruth Hannebrink, Mrs. Leora Rg-

ers, Mrs. Edna Foster, Mrs. Pearl Serini, Mrs. Dorothy Gregory, Mrs. Estelle McBrien, Mrs. Elsie Vance, Mrs. Virginia Gall, Mrs. Erma Graves, Mrs. Leo Mae Salmon, Mrs. Carrie Graham and Mrs. Marie Ziegler taking part.

SOCIAL SIX MEETING

Social Six Canasta club members were entertained Tuesday evening in the home of Mrs. Lorraine Genterman, 3848 Lake drive. Canasta was played, with Miss Teresa Rhoads, Mrs. Nellie Zarzeski and Mrs. Sophie Greese excelling.

Other members seated were Mrs. Julia Voloski, Mrs. Helen Kuback and the hostess. Lunch was served after the games. Mrs. Kuback will be the hostess at her home, 2905 Idaho avenue, in May.

MRS. KROHNE HONORED
Mrs. Barbara Krohne of the Ship Shape club earned double honors at a weekly meeting

Tuesday evening—queen of the week as well as queen of the month.

Mrs. Yvonne Passig, leader, opened the meeting with the pledge to the flag and the Take Off Pounds pledge. A song was sung to those gaining weight. A singalong was held, with each member participating. Plans are being made to visit the Anna-Henry nursing home and furnish ice cream and cake to the residents.

Mrs. Johanna Collett read an article, "Eat For Your Heart's Content." Mrs. Helen Townes closed the meeting with prayer. Others present were Mesdames Jackie Gattung, Lorraine Gremad, Mary Bryant, Geneva Hill, Betty Allen, Alice Baumberger, Elizabeth Bucher, Pauline Holman, Thelma Black, Olga Vizer, Dorthula Taylor, Pearl Kester, Pat Kingsley, Shirley Kingsley, Rebekah Jones, Beverly Lindsey and Virginia Hobe.

Army Commendation Medal to Sp/4 Logan

Specialist Four James J. Logan, 23, son of Mr. and Mrs. Maurice U. Logan, 2456 Kilmer avenue, received the Army Commendation Medal while serving with the Fourth Infantry Division, near Pleiku, Vietnam.

Sp/4 Logan earned the award for meritorious service as a chief computer in the fire direction center of Battery B, Sixth Battalion of the Division's 29th Artillery for the period Dec. 29, 1969 to Jan. 10, 1970. The medal was presented in Vietnam Feb. 24.

A 1963 graduate of Granite City high school, the serviceman received a bachelor of arts degree in 1967 from the University of Illinois at Urbana. He also attended the University of Missouri School of Law at Columbia.

Sp/4 Logan entered the Army in February 1969 and completed basic training at Fort Leonard Wood, Mo. Prior to assignment overseas, he was stationed at Fort Sill, Okla.

Economy Stressed In Approval of City's Bill List

A \$20,000 bill list along with a half-month payroll totaling \$57,828 were approved Monday night by Granite City council members with a protest over \$130 spent by the fire department on 12 chamois and 24 auto wash mitts.

The protest was made by Alderman Norn, who said all departments should economize in face of the city's financial crisis. Alderman Whitmer, chairman of the Fire committee, said he had already conferred with the department heads and had re-emphasized the need for economy and for approval of any such expenditures.

The \$20,000 bill list included major items of \$3046 for street and alley lighting in March, \$1094 for March rental on 410 fire hydrants, \$5318 medical and hospital expenses for employees injured on duty, \$5232 as the city's share of the Illinois Municipal Retirement Fund, \$1197 for employees social security and \$3220 for maintenance of sewers.

An allowance of \$100 was given Police Sgt. Michael Devine to attend sessions of the Illinois Division of the International Association of the Bureau of Identification to be held April 17-19 in Peoria.

Alderman Moerlen, chairman of the Finance committee, reported several of the city's insurance policies were expiring. His request for bid calls by the comptroller was approved.

WASTE TREATMENT OPERATORS PROGRAM—A federally-funded program for waste treatment operators at Southern Illinois University-Southwestern has reached the on-the-job training stage. The course, which began last October, will continue until each trainee has had about 70 hours of supervised training. Pictured in the laboratory from left to right are—Frank O'Mahundro, Collinsville; Eugene Hoffman, Granite City; Delbert Landers, Glen Carbon; and Robert Byrne, Granite City.

2 GC Treatment Plant Operators in Training

Two Granite City waste treatment plant operators are among 22 from southern Illinois communities and St. Louis taking a 70-hour course at Southern Illinois University-Southwestern.

They are Robert Byrne and Eugene Hoffman. The course began last October with classroom and laboratory study and is a federally funded program through which SIU-SW is helping alleviate environmental pollution.

According to Laurence McAneny, dean of the Science and Technology Division at SIU-SW, many sewage treatment plants are run by inexperienced personnel. "We hope to continue the program until waste-water treatment plants are properly run in Illinois," McAneny said. Other communities represented are — Alton, Belleville,

Brees, Caseyville, Collinsville, Edwardsville, Freeburg, Glen Carbon, Highland, Jerseyville, Roxana, Troy and White Hall.

May Fiesta Committees Complete Preparations

Committee chairmen responsible for this year's "Cinco de Mayo Fiesta," to be given Saturday evening, May 9, at the Venice-Madison American Legion Hall in Venice, were announced this week by Steve Ortiz, president of the Mexican Honorary Commission of Granite City, sponsors of the annual public event.

The affair, commemorating the 160th anniversary of the Independence of Mexico, will be highlighted with a variety show, followed by dancing to the music of Los Hermanos Santacruz orchestra. Tickets may be obtained in advance from commission members, or at the door.

Those heading various committees include A. L. "Pete" Metcalf, general ticket chairman, with Daniel Brown, advance tickets and Tony Valencia, ticket booth; August Becerra, advertising; Donald and Beverly Valencia, kitchen; Felipe Jaime, decorations; Abel Valencia, waitresses (service); and Joseph Becerra, bar.

Assisting Miss Garcia in arranging the entertainment portion is Mrs. Barbara Valencia, with Mrs. Helen Valencia in charge of costumes and Mrs. Elva Ortiz handling publicity.

Treatment Plant Operators Given \$15 Pay Boosts

Pay increases of \$15-a-month, retroactive to Jan. 1, were approved for seven employees at the city sewage treatment plant, based on qualifications for upgrading their state licenses as operators.

Recommendation for the payment, including advancement for Plant Supt. Robert Jackson, was submitted to the city council Monday night by Alderman Basarich, chairman of the Sewage Treatment Plant committee. One operator, Robert Byrnes, is to receive an increase of \$30 for upgrading his license by two steps.

Objection was made to the increase for the plant superintendent. Alderman Parmley said he believed Jackson had received an adequate increase last year. Objection also was made to the double raise for Byrnes, but in roll call votes, the motion to exclude Jackson was rejected and the \$30 increase for Byrnes was approved.

Basarich pointed out the treatment plant staff is being trained to operate the city pump station, which now is being run by Army Depot personnel. "Also, we must prepare for the future when the sewage treatment plant operation will have to be stepped up for secondary treatment," he explained.

The city's agreement with the Operating Engineers Union provides for the \$15 monthly pay boost with an operator's license improvement. Placed on file by the council were February financial reports for the treatment plant and the Nameoki area and North Granite sanitary sewer projects.

The Feb. 28 balances in the various accounts were—Nameoki area sewerage fund, \$325,567; Nameoki area sewer lines reserve fund, \$189,796; special sewer construction fund, \$3385; Particular area 2 sewerage fund, \$35,906; sewer ex-

5,000,000 Veterans Insured Through VA

More than five million veterans were insured during 1969 in five government life insurance programs valued at \$38 billion, according to the Veterans Administration.

The newly-published annual report on 1969 insurance activities shows income from all programs totaled about \$1 billion, while about \$625 million was paid in claims to living policyholders and beneficiaries.

In addition, the programs paid \$235 million in dividends and placed \$130 million in reserve funds to assure payments of future policy obligations.

One of VA's five insurance programs insured world war I veterans, and the others insured world war II and Korean veterans, as well as Vietnam veterans separated with service-connected disabilities.

The report reveals that one program which insures service-disabled veterans does so at standard premium rates, with losses met by appropriations from Congress.

The obligations of the world war I insurance program are diminishing, and the contingency reserve fund is gradually being liquidated, the report indicates.

The losses which developed in the Servicemen's Group program supervised by the VA (but administered by the Prudential Insurance Co. and reinsured by 567 other private companies) were met out of the previous year's gains. This program insures military personnel on active duty.

VA's annual insurance report is distributed to members of Congress, service organizations, insurance firms and associations, state libraries and other public organizations.

Office Building Among \$187,350 In New Building

Fourteen building permits listing values totaling \$187,350 were issued during March for new construction in Nameoki and Chouteau townships.

Included was a permit obtained by Chemico-Metal Corp. for an office building to cost \$32,000 on Route 3 south of the Hartford canal in Chouteau township. The firm is establishing a new electrolytic copper refining plant at the location.

Seven of the permits were issued for new building in Chouteau township with values of \$102,750, and seven were for Nameoki township at \$84,600, including three for new homes.

Other permits in Chouteau township were obtained by the Mitchell United Presbyterian Church, a brick parsonage in Greenway Village, \$20,000; Emmett Jones Lumber Co., a building to store lumber in Paradise Acres, \$14,750; Gene Kohmiller, replace roof shingles in Chouteau place, \$1500.

Lee American Freight System, three mobile homes, \$15,000; and Ernest Linhart, a garage in Brooks third addition, \$1500.

Permits for homes in Nameoki township were issued to George Arnold, a brick in Foreman Heights, \$19,000; Russell Lewis, a brick in Foreman Heights, \$20,000; and Wilshire Manor Inc., cedar siding with brick trim in Steelcrest Village Manor, \$13,000.

Elwood Glasgow obtained permits to demolish and replace a recreation hall in the Watson subdivision at a cost of \$18,000 and for a mobile home at a cost of \$1600.

Other permits were obtained by John Dutko to replace fire damage at a Dairy Queen building, \$7000; John W. Hamm, a two-bedroom addition in McNair subdivision, \$5000; and Ladue Building & Engineering Co., raise a dwelling and a garage.

E. 20th-Lee Accident

Autos driven by Barbara A. Wardlow, 2723 Harvey place, and Grady Bradley, St. Louis, were involved in an accident at 8:05 a.m. Tuesday at East 20th street and Lee avenue. Bradley was charged with driving with an expired license.

International Party Given by Troop 709

Ninety parents and guests attended a concert of awards presentation followed by an international party April 2 at St. John United Church of Christ for Junior Girl Scout Troop 709 under the leadership of Mrs. Victor Davis.

Table centerpieces depicted foreign countries which the patrols had chosen. The scouts entertained their guests with various activities, dressed in native costumes.

Lisa Camp and Gwen Stratton of the Saturn patrol gave a report on Switzerland and the Pluto patrol gave a report on Germany. The Mats scouts, representing Japan, participated in a fashion show and the Jupiter patrol, at in cowboy and Indian costumes, entertained with early American folk songs.

Membership stars were given and the following received the sign of the star and sign of the arrow: Tina Collins, Shelley Edwards, Debbie Grady, Kathy Nunn, Linda Parish and Donna Stout. World association awards went to Kelly Cottrell, Donna Kirt and Carolyn Wilson.

Debbie Grady read a poem, "A New Day," written by Christi Kramer. Carolyn Wilson read an original poem, assisted by Kelly Cottrell. The leader read a collection of short poems written by and presented to Mrs. Davis by Janet Kaempff.

All the troop sang a Swiss yodeling song and played ceramics and needlework.

Mrs. Davis showed a film, "Because of Camping," and films of last year's day camping sessions. She introduced Mrs. Phillip Miller, who will be the new leader of the troop. A desert luncheon was served.

Other scouts present were Brenda Beide, Connie Funkhouser, Karen Hoover, Carol Morris, Kim Page, Rendonna Reynolds, Robyn Sides, Nancy Stephens and Linda Viansic.

Monticello to Hold Weekend for Visitors
Monticello College will have an open weekend April 17-18 for all students who are interested in visiting the college, according to Terry H. Cross, director of admissions.

The "Pre-Mont Weekend" will include information sessions presented by Dr. G. E. Myers, Monticello president, Terry Cross and Deb Kuehl, president of the Tri-Key organization. Visitors will also be taken on campus tours and have an opportunity to visit academic departments and meet with faculty.

Other activities during the weekend will include a mixer on Friday night, a swim show Saturday afternoon, a high school which will be in process both Saturday and Sunday, the "Miss Alton" Beauty Pageant and a cabin party on Saturday evening.

According to Cross, "Pre-Mont Weekend" will give students an opportunity to enter college life for a weekend and will assist them in making their own decision about college. Any girls interested in participating in Pre-Mont weekend should contact the admissions office at Monticello."

Veeder to Head Future Unlimited Banquet May 14

Nicholas P. Veeder, chairman of the board and chief executive officer of Granite City Steel Co., has been named chairman of this year's Junior Achievement Future Unlimited Banquet.

The announcement was made Monday by Monte E. Shomaker, chairman of the board of Brown Shoe Co. and president of Junior Achievement.

NICHOLAS P. VEEDER

The Future Unlimited Banquet is an annual affair to honor those business leaders and teenage Achievers who have helped make Junior Achievement an outstanding program during the past year.

The Future Unlimited Banquet is an annual affair to honor those business leaders and teenage Achievers who have helped make Junior Achievement an outstanding program during the past year.

"Nicholas Veeder's acceptance of the banquet chairmanship is a tribute to Junior Achievement," said Shomaker. "Mr. Veeder is a leading area businessman who has given generously of his talents to numerous civic undertakings."

Besides a wide range of activities in business, government and education, Mr. Veeder has been active in United Fund and Chamber of Commerce of Texas.

Plan European Trip To Study Dramatists

Persons interested in summer classes in Shakespeare and the Renaissance dramatists, to be held in London, Italy and Istanbul, may call Prof. Marion Taylor of Southern Illinois University-Southwestern at 692-2114 or 259-8864.

A charter flight will leave St. Louis for London on June 23 and return on Aug. 25 or 27. Four credit courses will be taught by Prof. Taylor. Students enrolling are to send a check for \$100, payable to SIU, to hold space on the plane.

Total cost, including plane fare and travel in Europe, with sleepers plus bed and breakfast in hotels in all cities except London, is \$785. Of this amount, \$25 will be used to cover incidentals and emergencies.

Meyer Named Winner Of State Scholarship

Dennis Meyer, 204 St. Clair avenue, Granite City, is a winner of a scholarship to the University of Illinois. It was announced this week by Wilbur Trimpe, Madison county superintendent of schools.

The scholarship, awarded to a child of a veteran of the Korean conflict, is one of 10 state scholarships available in Madison county.

They are awarded on the basis of scores made on ACT examinations given in April, July and October of 1969. The scholarships exempt the winners from tuition fees for a period of four years.

Metropolitan St. Louis. He is also a member of the national executive committee of Junior Achievement Inc.

The local Junior Achievement program, supported solely by business, has made it possible for 267 teenage corporations to operate this year. Junior Achievement of Mississippi Valley Inc. maintains business centers in St. Louis, St. Louis county, Alton, East St. Louis, Granite City and Wood River.

The Morris Library at Southern Illinois University has one of the five largest collections in the U. S. of letters by British novelist D. H. Lawrence, according to a researcher from

Student Nurse Choir To Sing Here Sunday

The student nurse choir of West Suburban Hospital School of Nursing in Oak Park, Ill., will present a concert of sacred music at Emmanuel Baptist Church, 1800 Pontoon road on Sunday at 7:30 p.m. The School of Nursing is associated with Wheaton College.

The choir has a membership of 58 student nurses. They are under the leadership of Miss Ruth Bamford, who is also the guidance counselor at the school.

The student nurse choir provides one of the most popular extra-curricular activities at the school and appears in monthly concerts throughout the Chicago area. The members combine ensembles, instrumentals, choral arrangements of semi-sacred music, Negro spirituals and sacred music to include a wide variety of music in concert form. A recent schedule has included participation in the annual Chicago World and Garden Show, as well as weekend tours to cities in Illinois, Michigan, Wisconsin and New York.

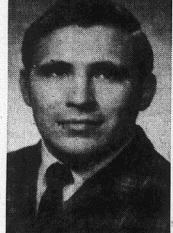

Rev. Vernon D. Covington, pastor of the church, has issued a special invitation to the public to attend the concert.

Kern to Conduct Lake Pollution Research

Ernest L. Kern, son of Mr. and Mrs. Ernest V. Kern, 1725 Primrose avenue, has received a fellowship grant of \$3000 for advanced study in earth science with a specialization in environmental pollution. The grant was awarded by the School of Graduate Studies at Western Michigan University, Kalamazoo.

Kern graduated from Granite City high school in 1965 and attended Southeast Missouri State College, Cape Girardeau, where he graduated in June 1968 with a bachelor of science degree in earth science.

ERNEST L. KERN

At present, he is an earth science teacher in the Parkway school district of St. Louis county. Also during the past year, he has received two grants from the National Science Foundation for study of advanced topics in earth science at the University of Missouri at St. Louis and at Southeast Missouri State College.

Kern will begin graduate work at Western Michigan in June of this year, and will attend full-time until completion of requirements for the master of arts in earth science degree in August 1971.

In addition to his studies, he will be doing research on the "Rate and Extent of Fluvial Pollutant Distribution in Lake Michigan."

Through this research, Kern hopes to obtain new or additional facts on how fast contaminating rivers are polluting larger bodies of non-saline water, such as lakes and reservoirs.

If the pollution rate is shown to be critical, it is hoped that this and similar research projects will aid in obtaining stronger pollution controls in Michigan and possibly other states as well.

Pvt. Hill Stationed In Panama Canal Zone

Pvt. James J. Hill, 20-year-old son of Mr. and Mrs. Harry Hill of 2513 Grand avenue, is now stationed at Fort Clayton in the Panama Canal Zone.

A 1969 graduate of Granite City high school, Pvt. Hill, enlisted in the Army in October 1969 and took basic training at

Fort Leonard Wood, Mo. He also took an extended course in mechanics at the Missouri base prior to going to the Canal zone. Junior High Bands in Contest Saturday

The Coolidge junior high school concert band and the Madison junior high school band will participate in the district band contest to be held in Collinsville at 4:30 p.m. Saturday.

Coolidge band will be in the class double A division and the Madison band are to be in class B division.

The 100-member Coolidge band of seventh, eighth and ninth grade students, under the direction of Robert D. Todoroff, will perform three selections in competition.

They are, "Dawn of Peace," "March" by D. I. Moore; "Emperata Overture" by C. Smith; and "Symphonic Movement" by Goldstein. Bands winning a first place rating will advance to state competition to be on Saturday, April 25, in Macouhah, Ill.

Members of the Coolidge band who will participate in the contest are: oboe, Melinda Hanson, Laurie Houser, Julie Sherry, Beate, Ellen Boda, Marci Bunch, Cheryl Gertich, Elizabeth Graf, Melodie Heeger, Jerri Johnson, Kim Lindner, Maureen McFain, Brenda Manogian, Grata Marler, Janice Moore and Dawn Oram.

student from Whitehall, Ill., was chosen secretary-treasurer. All three new officers will be installed in ceremonies next Monday.

Darnier, who succeeds in office, Larry Sumner, currently is in his sophomore year at SIU, where he is majoring in business management. As a high school student, he was active in the local Teen Age Republicans.

While a member of the "College For Nixon" during the 1968 presidential campaign, Darnier met with President Nixon at Marion, Ill., later working in the Chicago area for the GOP group.

Hileman is a freshman at SIU-SW, majoring in government and psychology. The local students have worked together for many years in leadership roles with the Granite City Chapter of DeMolays. Both are past master councilors of the Southern Area group, will participate in convention activities last month.

Principal purpose of the college level club is to promote Republicanism in the immediate area and to encourage political expression by young people. Club sessions are held each Monday, at 1:30 p.m., in the Missouri Room, at SIU-SW's University Center, Darnier said.

Self-Defense, Pursuit Studied by Explorers

Seventeen Explorers and two adult leaders spent the week-end at Pere Marquette State Park, representing Explorer Post 104, sponsored by the Madison Lions and Madison police.

The first morning was spent learning self-defense methods. Emphasis was placed on defensive tactics against would-be attackers or "bully" types.

That afternoon, silent signals were studied under the leadership of squad leaders.

Busy April in Store For 4-H Moonspinners

The April meeting of the Granite City Moonspinners 4-H club took place April 2 at Nantook Presbyterian Church. Leaders of the club are Mrs. Eleanor Kozol and Mrs. Carol Davis. It was announced that a flower arranging school has been scheduled for April 13, and a "Share the Fun" program will be presented in Highland April 18.

Activities at the Farm Bureau will include a "wardrobe of fashions" April 22 and a clothing training school April 23.

The meeting was opened by Jeanie Schwartzkopf and the pledge of allegiance and 4-H pledge were led by Anita Turner and Mary Favier. Secretary Jackie Dorch and Treasurer Judy Carroll gave reports.

Mrs. Kozol announced that a practice session for "Share the Fun" will be held today and that a sewing class will meet at the church April 16. Mrs. Davis's knitting classes met at her home, 1421 Norwood drive, Tuesday and yesterday.

The evening's program included demonstrations by Betty Komadina on "Cream Pie," Teresa Polson on "Peanut Butter Cookies" and Lisa Stegmeyer on "Brownies." Talks were given by Anita Turner, "Ten Little Taxters"; Maureen Hoedhecke, "Cookie Wise"; Mary Favier, "Basic Facts on Ground Beef"; and Teresa Butler, "Eggs in Family Meals."

Other members present were Diane Becherer, Mary Ann Bequette, Laura Carch, Susan Davis, JoMarie DeRuntz, Carol Greathouse, Rose Marie Horbelt, Laura Jean Mann, Donna Portell, Maria Schmidt, Renee Schmidt, Mary Beth Vesci, Mary Kay Becherer, Elaine Bellue, Anne DeRuntz, Kathleen DeRuntz, Carolyn Goldsich,

PRATHER'S LISTENING CARRELS. With funds earned by the Book Fair and free labor from the school's "shop," Prather has listening carrels in the library. The students are, left to right—Paul Skinner, Vicky Miffilin and John Fox.

Lauren Gubser, Kathy Mushill, Dawn Portell, Karen Scaturro, Justice Gaudreault, Kathy Turk, Anne Marie Uram and Marianne Williamson.

Also attending were Mrs. Favier, Mrs. Stegmeyer and Mrs. Polson. Sheila Hintz, Cheryl Bellue, Mary Favier and Jane Friederich served dessert to the gathering.

THE SPICE OF LIFE
PLAZA PIZZA, 876-6553

LIBRARIAN TURNS VOLUME UP. Miss Evelyn Laux plays a recording of a Sir Arthur Conan Doyle story to be heard by students seated at the Prather library's listening table.

Music in the Library? It Happens at Prather

Music in the library? Strong voices, even shouts in the library? And it's approved by Prather's librarian? And she's going to have more of it?

It's going on at Prather junior high and not one teacher or administrator is disturbed. In fact, even if someone is reading in the library he's not disturbed. Because only those seated at the new sound equipped study table can hear the trumpets or kettledrum or stentorian voice.

Miss Evelyn Laux is the librarian who is making all the

noise. Using funds earned through the Book Fair, earphones, wiring and other equipment were purchased. She told mechanical arts instructor John Hendrick about the plan and the library now has study carrels that are wired for sound. The "silent" sound system is the second bit of handy work that Hendrick has built for the library. In the past, he built a table-stand for the school's three unabridged dictionaries.

To make the listening carrels he used an ordinary library table and some plywood. Several of his students helped sand the plywood to make it attractive for display. The table can accommodate four students for listening, or without using the earphones, for ordinary study.

With the plywood, he also made an extra wide book shelf for a phonograph or tape recorder borrowed when needed from the school's audio-visual department.

The materials cost about \$50 and the architecture and labor was free. Prather's supply of recorded educational material is very small. Miss Laux plans to have a variety of recorded readings and music for pleasure and supplemental class room work. Already, student assignments to use the listening carrels include poetry readings for English courses and tribal music for an Afro-studies course.

Premezzi to Present Recital at SIU-SW

Renato Premezzi, chairman of the keyboard faculty at the SIU-Southwestern campus, will give a piano recital Friday at 8:15 p.m. in the Communications Building theater. The public is invited, admission free.

Included on the first half of his program will be Adagio by Baldassare Galuppi, five preludes by Claude Debussy, five by Frederic Chopin and Transcendental Study No. 7 from Franz Liszt's Eroica. After the intermission he will play works by Erik Satie, Maurice Ravel and one of his own compositions, a short four-movement suite.

Born in New York City, Premezzi made his debut at the age of five and has performed in Europe and throughout this country.

10 GC Students Rank High in Math Field Day

Ten Granite City students won preliminary team and individual awards at the annual Mathematics Field Day held Saturday at Southern Illinois University, Carbondale.

About 750 students from 54 southern Illinois junior and senior high schools took a two-part mathematics examination. The first part, for which preliminary awards are being announced, covered the general mathematics background. The second part, for which awards will be announced later, covered problem solving ability.

Awards were given for the top three individuals and teams at each grade level, freshman through senior.

Winners from Granite City high school were David Hudson, first place individual award, juniors; junior team of Hudson, Mark Freedman, Susan Kiyashoff and Thomas Greco, first place.

Ron Matson, third place individual award, seniors, and team of Matson, Richard Cardwell, Connie Koester and Paul Dorough, third place.

Grisley junior high school winners were Gail Waldo and Sally Schwager, ninth graders.

Exchange Students From Alton Visit GCHS

A student exchange program between Alton and Granite City high school for the purpose of discussing school policies, visiting the schools and meeting with students, took place at Granite high recently with five students arriving from Alton.

Those taking part in the exchange program were required to fill out applications and were selected by their grades, activities in school, personalities and recommendations of teachers at Alton high school. The Student Council then evaluated each student and settled on five.

Alton students included Margaret Cook, junior, who is in the "Marching One-Hundred,"

Joe Mahalich, sophomore, a member of the sophomore chorus, along with Carla Kruse, sophomore, who is in Student Council; Bill Bundy, junior, who plays on the Redbirds football team and is also a wrestler, and Earl Mullock, senior, who has lettered in football three years, in basketball one year, and is a member of Alton's baseball team.

After the visit, a comment made by the Alton students was, "The kids at GCHS are really friendly and are easy to get along with."

Be careful what you start trying to stop something.

Final Registration Set at St. Teresa's

April 19 has been set as the date for final registration of incoming freshmen for St. Teresa Academy, East St. Louis.

A special mailing has gone to girls who took the placement test in January, giving them the results of the test, the necessary information and the registration forms.

These girls are to go with their parents to the gym at the academy, 2501 Ridge avenue, for counseling and registration between 1 and 3:30 p.m. April 19.

Any girl who did not take the placement test in January and now wishes to attend St. Teresa's should have her parent or guardian call the guidance counselor, Sister Mary Elizabeth Ufar, ASC, at 874-7922.

Herbert Williams to Sing at U. of I.

More than 500 musicians will fill the Great Hall of the Krannert Center at the University of Illinois, Urbana, for the performing arts Sunday, April 12, with the sounds of Hector Berlioz' "Grand Mass for the Dead."

Herbert Williams of 4245 Lake drive will be one of the 400 singers who will be joined by the Champaign-Urbana Symphony plus four brass choirs, an additional percussion section of 16 tympani and 10 cymbals, and tenor soloist Prof. James Bailey.

The performance at the University will include all six university choral organizations: Oratorio Society, Concert Choir, Men's Glee Club, Women's Glee Club, University Chorus and University Chorale.

School Elections Saturday; Only Contests in GC District

Five Seek Two Board Posts In Granite City School Balloting

MARY CHURCH
MRS. MARY CHURCH, 46, of 2145 Robert street, is seeking election in Saturday's school board balloting to one of two posts open on the board of Granite City School District 9. She is one of five candidates in the race.

Mrs. Church, a native of Illinois, Mo., has lived in the Granite City area for the past 16 years and is employed as a caseworker at the Naimok township office. She attended elementary and high schools in Illinois, Mo. and is a member of the Methodist church.

She is a member of the Hope Chapter, OES, the Illinois Welfare Association and the Social Concerns Council of Granite City.

She has been active for many years in Girl Scout and Brownie work, serving as a den mother and coach. She has been active in school activities of both Missouri and Illinois for the past 20 years. She served as delegate to the St. Louis board from the North St. Louis area for two years prior to moving to this area.

Mrs. Church is a charter member of the PTA units at Coolidge and Grigsby junior high schools, has been a member of the PTA units at Naimok, Central and Maryville schools and now is a member of the Grigsby PTA.

She has served as a delegate of the Maryville school to the Granite City Area PTA Council, and holds a life membership in the Illinois Congress of Parents and Teachers.

Mrs. Church is married and the mother of five children. She has a daughter who is teaching in Granite City, a son in junior high school and a son and daughter in elementary school.

She also has a daughter who is in her senior college year and will become a teacher.

Mrs. Church said that she believes a member of the school board should have children in school. "I believe that a woman can serve on the school board as adequately as a man. I hope to do what I can to see that the taxpayer gets full value for his tax dollar. Our schools are not properly constructed and therefore I will strive for better construction. I believe now schools are being built where they are needed to save on the cost and difficulty of transportation.

Her answers to the questions:
1. Yes, I would favor year-around operation if it can be done without loss of state aid.
2. I propose many improvements, such as updating of curriculum to meet college requirements, essential repairs to many of our schools, and strive for better bidding contracts for construction of school buildings.
3. No, this is not a function of school board members. It is the duty of the administrators.
4. Yes, with option to challenge.
5. I prefer a pay-as-you-go policy, unless extremely qualifying conditions would prevail.
6. Yes, definitely.
7. No, because schools may have individual problems, but policy should be in good taste and worthy of support by the school board members.

PETE A. CARICH

PETE A. CARICH, 39, a teacher at Rite-way, is seeking election to one of two posts open on the board of Granite City School District 9 in Saturday's school elections.

Carich, who lives at 4735 Vincent street, is a native and lifelong resident of Granite City. He graduated from Granite City high school in 1950 and was employed by Granite City Steel Co. that year.

He entered military service in December 1951, serving four years in the U.S. Navy. Upon his discharge in 1955, Carich returned to his job at the steel plant where he remained until 1963. In 1963 he decided to resume his schooling and began attending classes at Southern Illinois University-Southwestern campus, as an undergraduate.

He obtained his BS degree in 1968 and a year later received his Master's degree, also at SIU. He is now working on his PhD at St. Louis University.

Carich has been active in many areas, including Boy Scout affairs, as well as other youth activities, and has received a number of awards for his work with the Boy Scouts.

After receiving his college degree he began teaching at Rite-way high school and then has instituted a new course for high school seniors on family relations. He has completed one book entitled "A Method of Teaching Human Relations and Family Living" and a student work book "Human Relations and Family Living" which is soon to be published. Part of the program is being used in a junior college and a high school in California with considerable success.

Carich also has contributed considerable time to counseling service in areas of marriage, family and juvenile delinquency at the Coordinated Youth Service in Granite City and has been a frequent speaker before young people's groups and adult organizations.

He is a member of the Knights of Columbus and the Mexican Honorary Commission. He is married and has three children.

He said that in campaigning for the school board post, he stands for closer cooperation between schools and local industry in order to meet the needs of each. I believe money allocated for specific programs should be spent on those programs.

His answers to the questions:
1. No, at this point I do not favor year-around operations of schools with staggered quarterly vacations without loss of state aid, but I would be willing to listen to the advantages and disadvantages. In order to sanction such operations all factions within the community must be considered because of work and vacation conflicts.
2. I propose as improvements a close cooperation between school and local industry in order to meet the needs of each. For example, a good vocational training program should not be instituted without the cooperation between industry,

ROBERT CRIDER

ROBERT E. CRIDER, 35, of 2422 Hurstway avenue, is seeking to return to the Granite City school board after an absence of four years. He previously served one term from 1964 to 1966.

Employed as quality engineering manager at National Industries, Crider was educated in the Granite City school system and was graduated from the local high school. He attended Southern Illinois University, majoring in applied science.

Crider is a member of the Baptist Church and Masonic Lodge 877, AFAAM. He and his wife, Judy, have three daughters, Susan, Roberta and Linda.

The candidate said he is seeking election to the district board of education because "as a concerned citizen, I feel it is my responsibility to attempt to serve and to support the present responsible administration in an effort to keep the high quality of education in our schools."

His answers to the questions:
1. No.
2. Better teacher-board, and board-community relations.
3. No.
4. Yes.
5. Yes.
6. Present salary is adequate.
7. No. The school board must work with the administration on setting policies.

unions, and community leaders. I advocate a better program for the emotionally disturbed, mentally handicapped, and children with physiological handicaps such as hearing blind.

I propose a thorough psychological evaluation of the students, who have need of such, to meet the special education program.

I propose an expanded curriculum and viewpoint to educate students to qualify for today's jobs today, and to meet the demands of a changing society on all levels, especially emphasizing social development as well as academic development.

I propose to improve communications with all factions in the community who are interested in better education for all students and especially between teachers, administrators, and board members.

Also, the effective use of suggestions and proposals that evolve from discussions and study of the needs of the urgent needs in this system.

1. No, I do not advocate the Board handling everyday administrative duties. The board is a policy making body with the duty of evaluating administrative duties. We pay administrators to handle the administration of the school, hopefully with close collaboration of the teachers.

4. Yes, I favor the reimbursement of actual listed expenses rather than fixed allowances because flat fees could be unfair to both the district and the educator, depending on the case.

5. I favor a pay-as-you-go policy but if the need arises, such as placing the education

Questions Asked School Board Candidates

1. Do you favor year-around operation of schools with staggered quarterly vacations without loss of state aid?
2. What improvements do you propose for the school?
3. Do you favor the board handling administrative duties?
4. Do you favor reimbursement of actual listed expenses rather than fixed allowances?
5. Do you favor a pay-as-you-go policy rather than borrowing to meet operational or construction costs?
6. Do you favor lowest possible secretary and treasurer pay so that the two positions do not become political patronage prizes?
7. Should the school board have sole responsibility for school policies and not allow others to set them?

Incumbents Lack Opposition in Venice Election

CHESTER McMANAWAY
CHESTER L. McMANAWAY, 54, now president of the board of education of Madison School District 12, is seeking re-election in next Saturday's balloting to his sixth three-year term. He lives at 1681 Second street, Madison.

McManaway is a native of Venice and a lifelong resident of the Quad-City area. He operates general insurance and real estate business in Madison and formerly was associated with the Metropolitan Life Insurance Co.

In addition to his 15 years on the Madison school board, McManaway was city treasurer of Madison from 1945 to 1949. He served as treasurer of the Madison County Board of Education from 1959 to 1964. McManaway is married and has one daughter who is a Granite City high school teacher.

Yes. He is seeking re-election because, "I feel that it is of service to my school district, and I feel that I have in the past six years."

His answers to the questions:
1. No, not unless it becomes necessary.
2. Those many improvements that are necessary by code and those needed by changing times.
3. No.
4. Yes.
5. Yes, I believe that the district should be on pay as you go. Once a policy of spending beyond our income is established there is seldom a place to stop and spend below your income to catch up. The tendency is to go deeper into debt as time goes by.
6. I believe that the pay of any job should be based on the amount of service performed considering time involved, as well as the abilities required to do a good job.
7. This is the responsibility of the board.

board to hire capable administrators to handle administrative duties.

In most cases, fixed amounts are given to individuals for trips, etc. on school business. If a school board is small as the one in Venice, only about five or six trips a year are taken, and most of these are taken by the teachers. They are paid their regular salary plus a fixed amount for the trip. If a school board member takes a trip, they usually lose their regular salary or vacation when they are gone, so a fixed amount sometimes may be more than the actual expenses. But I don't think anyone who elects to this job with the idea that he or she should lose money to attend a school-approved function.

5. We all know that when money is borrowed to meet operating or construction costs, the lender charges interest on the money, so naturally I would prefer a pay-as-you-go policy, but this is not always possible. Very few school districts would have the money available for any major construction. And I am sure if a district could not raise the money, there are bills to be paid, the district would be in a bind to obtain money from the federal government to help finance this project.

6. The lowest possible pay for a secretary and treasurer would be no pay at all, and this I would not be in favor of. The secretary and the treasurer in Venice school district receive \$125 per month. During the month of March 1970 the secretary had more than 80 letters to type and mail plus six pages of minutes at the monthly meeting and the treasurer had business transactions of approximately \$250,000; that means numerous trips to the bank, etc. Could a position such as this be considered a political patronage prize?

7. The school board should have sole responsibility for school policy. Some of the trouble in schools and universities today is caused by the teaching and business professions dictating the policies of the school. I think the board should consult with the teachers and sometimes the students, and also I will include the city officials if it is a matter that could

Light Balloting Expected in Area School Elections

Voters of the three Quad-City area school districts will go to the polls Saturday to elect members of their respective boards of education, but only those in Granite City District 9 will find opposition candidates on the ballot.

Only three candidates are on the ballot for three board openings in Madison District 12 and the two incumbent board members whose terms expire on the board of Venice District 3 are without opposition.

Light balloting is expected in all three districts with a high ratio anticipated in the Granite City District 9 election. A five-year contest for two board posts. In the 1969 school elections only 1805 votes were cast in the Granite City district with a total of 1830 cast in Madison. Both Madison incumbents were opposed last year, however. Only 156 Venice votes went to the polls last year.

Voting Saturday will be in 15 precincts in Granite City District 9, in two precincts of Venice District 3 and two precincts of Madison District 12.

Five candidates are competing for the two board memberships subject to election in Granite City District 9, with only one of the incumbents among the candidates. Carl Macios, 78 Cambridge drive, is seeking re-election, but Dr. E. K. Walton, taken by the test, also expires this year, did not file.

Other candidates include Robert Crider, 2422 Hurstway avenue; Phillip Dressel, 3648 Terrace lane; Pete A. Carich, 4735 Vincent street, and Mrs. Mary Church, 2145 Robert street.

Three candidates are seeking three board posts in the Madison district—two of them incumbents. Chester McManaway, now board president, and Harold Fisk, are seeking re-election. John Walcott, the third incumbent whose term expires this year, did not file for re-election. Running as the third candidate is Sherrell Byrd, 545 Mercedia street, Venice.

Two board posts are open to election in Venice District 3 where both incumbents are seeking re-election without opposition. They are Fred B. Durer Jr. and Richard Bailey.

SHERRELL BYRD
SHERRELL L. BYRD, 44, of 545 Mercedia street, Venice, is a candidate for one of three school board posts subject to election in Venice District 12 next Saturday. Three candidates are in the race.

Byrd, who sought election successfully in the Madison school election in 1969, is a welder at the A. O. Smith Co. plant and formerly was employed by General Steel Industries. He was born in Paris, Ark., where he attended grade and high schools, moving to this area in 1951.

He is a member of the Bethel Methodist church and is a past member of the Boy Scouts in which he served as neighborhood commissioner and as an assistant district commissioner for the Cahokia Mound Council. He is a member of the Disabled American Veterans, having served in World War II from 1943 to 1946.

Byrd said he is seeking election to the school board because, "I want to be of service to the school district. I live. My objectives will be to try to create a better relationship between teachers, students and parents and to create a generally better school system. His answers to the questions:
1. I favor operating them as they are at the present time.
2. Better relationship between the teachers and students, teachers and parents, regular PTA meetings and make students welcome to attend these meetings.

50th Anniversary Fete For Mr. and Mrs. Klueber

Mr. and Mrs. William A. Klueber, 2302 Winters drive, observed the 50th anniversary of their marriage this week by attending a morning service at St. John United Church of Christ, where both are members, with members of their family, followed by a dinner for all at the Round Table in Collinsville.

Mr. and Mrs. Klueber were married April 6, 1920, at Emmanuel United Church of Christ in Fruit, Ill., and have resided here for the past 30 years. Before retiring in 1938 Mr. Klueber was employed by the former Granite City Dairy for 22 years.

Those attending the church service and dinner, including the children and grandchildren were Mr. and Mrs. Kenneth

Anderson and sons, William and James of Granite City; Mr. and Mrs. Robert Klueber and children, Kathleen, Kandace, Kristal, Keith and Kevin of St. Louis; Mr. and Mrs. Jerald Davis and children, Jerry Jr., Michael, Terri and Jeanne of Florissant, Mo.; Mr. and Mrs. William O'Rourke and children, Robert, Michael and Susan of Collinsville; Glenn F. Klueber of Miami, Fla.; Mr. and Mrs. Al Wick of St. Louis.

Mr. and Mrs. Fred Heuser, Troy; Mr. and Mrs. Herbert Henke, Champaign, Ill.; Mrs. Mary Highlander, Mrs. Jacob Ill.; Mrs. Ella Klueber, Elmer and Doris Beckman, Springfield, Ill.; Mrs. Rosa Klueber, Mrs. Kathryn Klauernmeyer, Mr. and Mrs. John Klueber, and Mr. and Mrs. Emil Klueber all of Edwardsville; and Mr. and Mrs. Wilbur Maedgen of Marine, Ill.

WOMEN OF MOOSE HONOR MRS. RODGERS

Granite City Chapter 247, Women of the Moose, held a special "green cap" program this week. It was instituted for the first time this year in the programs of the Women of the Moose in honor of the junior graduate regent, Mrs. Edith Rodgers, who presided.

Other graduate regents attending were Mrs. Erma Buckner, Cahokia, who held the chair of guide; and Mrs. Clara Jeffries of East St. Louis, who served as junior regent.

Other out-of-town guests were Mrs. Bertha Dudley of Wood River, former deputy grand regent for Illinois; Mrs. Jane Lynch and Mrs. Blanche Byers of Edwardsville; and Mrs. Margaret Spier, Cahokia.

Three new candidates were enrolled; and after the meeting session was given Mrs. Rodgers and lunch was served.

ROLLETTES MEET

The monthly meeting of the Rollettes Club took place Monday night in the home of Mrs. Marlene Waggoner, 1881 Market street, and prize-winners were Mrs. Nellie Nicol, Mrs. Helen Radefeld and the hostess, Mrs. Waggoner served a dessert course to those named and to Mesdames Edith Wofford, Jeannette Wilson, Connie Tinsley, Betty Brooks, Velma Radefeld and Carol Smith.

Adjustments, Deductions Defined

(Tri-City and Illinois Bar Associations)

Errors being made on tax returns already filed indicate that many taxpayers are having difficulty because of unfamiliarity with the new form.

The Internal Revenue Service revised Form 1040 in order to incorporate the best features of the old long form 1040 and of the short form 1040a, and to do so on a single page.

The old short card form 1040a, which previously had been used by about 20 million taxpayers annually, has been dropped because many users were denying themselves tax advantages to which they were entitled.

Among other things, the form did not provide for itemized deductions for certain tax exclusions, such as sick pay.

To help those taxpayers who have yet to file their 1969 federal income tax returns, here are the major sources of trouble with the new combined form 1040.

EXEMPTIONS. Some taxpayers are failing to list the names of dependent children, other dependents in their proper places, apparently because they are confused by the tighter spacing in the new condensed form.

First names of dependent children should be listed on lines 8 and other dependents in the two spaces under line 9.

ADJUSTED GROSS INCOME. Taxpayers are required to add lines 11 (wages, salaries, etc.), 12c (dividend income), 13 (income from interest and other income) and to insert the

Divide Schools, Inability to Equalize Funds Could Be Ruinous

By STATE SENATOR MERRILL OTTWEIN
(Second of two articles)

It is not only conceivable, but likely, that public aid would lead to fragmentation and ultimate disintegration of the public school system. It is not only conceivable, but likely, that public aid would lead to fragmentation and ultimate disintegration of the public school system.

Secondly, this fragmentation and duplication could be extremely expensive in just a few short years.

While only \$32 million was requested in the 1969 legislative session for private schools, estimates were that in four years, the price tag would be close to \$400 million. As one advocate testified, "What we want ultimately is complete parity with public schools in aid from the state."

Where would the line ultimately be drawn? I fear it wouldn't be drawn at all. It would be identical to public standards. This would leave us with two, or perhaps many more, public systems, in a patchwork quilt of administrative difficulty, leaving our systems completely unmanageable and tremendously inefficient.

Those advocating public aid, "now," as they say, "in order to avoid collapse of public schools and subsequent public funding problems" are being penny-wise and pound-foolish. The ultimate cost of the public aid they consider expedient now would be far, far greater than assimilation into the public system.

This fragmentation would be inconsistent with public movement toward consolidation and elimination of duplication. We have been moving steadily in these directions for the past 15 years. Public aid to private education would be completely counter to this if it attempted to finance the private schools of all present and future private school systems.

A pitfall lies in the fact that there would be no possible way with public funding to private education to "equalize," that is, to see that the poorer schools receive more aid. This, too, is a principle that has been a part of public school funding in recent years that would be reversed.

Aid is roughly based on the ability to pay (via assessed valuations). The poorer districts get more aid than richer districts in an effort to equalize educational opportunity.

There would be no way to determine the ability to pay in private school. Aid would have to be given equally to all and even the very rich schools could qualify.

During last year's hearings, one private school administrator said her secular school charged tuition up to \$2500 per year per student. Yet she was in Springfield to testify for state aid to private schools.

In addition, there would be no way to determine the willingness to pay for private education. Even now, there are dozens of private schools in the state in which not one penny of tuition is charged the student.

Another potential for trouble is that public aid to private education would simply be divisive of our people. The mixture of children within the public schools is an education in

Statesmanlike Attitude by City Council

Toward Development of a Downtown Mall

The 16-0 Granite City council vote to have ordinances prepared to implement the downtown mall proposed Jan. 13 speaks well for council members' dedication to a thriving, attractive, interesting community.

It would be easy for individual aldermen to question parts of the plan, since no one program is perfect from every viewpoint. But the 1970 Central Business District development plan undoubtedly is the last that has any chance of success; it's a case of "sink or swim," rather than going back for more aquatic lessons.

It really is a good plan, one that can generate a marked increase in economic activity and a favorable impact on the sales and property base on which local governmental financing depends.

In addition, it can lead to a new and more positive attitude by citizens, taxing bodies and businesses toward each other and themselves. The resurgence of confidence, enthusiasm and excitement can bring many dividends, tangible and intangible.

The aldermen's willingness to provide official sanction for the traffic revisions which are an essential part of the CBD improvement program—focuses increased attention and responsibility on the store operators and property owners who jointly are to pay for creation of the mall and currently are proving their commitment to a better downtown district by signing written agreements.

Tavern Crackdown, Under Way in Madison

Not many tears are being shed over the revocation of two Madison liquor licenses. The main reaction is one of surprise, since city fathers for decades have leaned over backward to please the numerous tavern proprietors, some of whom have operated virtually around-the-clock.

The two cases were not similar. Where Christ Costello worked at night in a tavern but in insisting on accepting a public office in which to an extent he helped regulate taverns. The state called this a conflict and ended it after nine years.

Regardless of whether it sought to attract them or not, it is fair to say that the John Lewis tavern was visited over a period of years by, among other patrons, a number of hoodlums, many of whom got into fights and created disputes while in that neighborhood. The new city administration has just called a halt to the pattern of activity, alleging specific instances of law violations by employees.

Taverns are a legitimate business but, like everything else, must live within the law. The current crackdown in Madison was overdue; it will be interesting to see how far it goes and how long it lasts.

Pay Level Keeping Many Teenagers Jobless

With youth unemployment five and a half times the adult jobless rate in the U.S., serious consideration should be given to a greater hourly wage differential in favor of teenagers. The wage laws—not to penalize teenagers but to more closely match their relative experience and skill.

In the United Kingdom, Holland and a few other countries, teenagers start at about one-third of adult pay. This ratio may be more drastic than is necessary here to assure jobs for the teenagers who would otherwise be unemployed in that direction is desirable lest minors be priced out of the job market.

Surcharge Due to Expire June 30

(Internal Revenue Service)

Q) Is the surcharge rate for 1969 really 10%?

A) Yes, the income tax surcharge for 1969 is 10%. For 1970, the surcharge drops to 5% and is due to expire June 30.

Q) In general your "regular tax" is less than \$255, you will determine the amount of the 1969 surcharge you have to pay from the tables on Page T-1 in the 1969 tax instructions. Otherwise, compute 10% of your "regular tax."

Q) When I do to keep my tax refund from being delayed?

A) File a complete, accurate return and send it in early. Refund claims sent in now can be processed and the refund issued within six weeks.

Before sending in your return, check it over to make sure it is complete, with all necessary schedules and supporting documents attached.

A W-2 statement must be attached to the back of your return. If you are self-employed, the return must be signed by both husband and wife, if it is a joint return.

Nearly two million refund claims were delayed last year because of a missing or inaccurate Social Security number.

WOULD GEO. WASHINGTON BE ACCEPTED AT GCHS?

To the Editor:

I am writing in regard to an article on a statement by a local official, unlike two American Forum letters, I support Dr. Freedman.

A large percentage of college students are long-haired. However, it is a very small percentage that takes part in destructive riots.

It is just one by his appearance is hypocritical. Granite City high school should realize that current fads are a way of identification.

A student should not be refused his constitutional rights of attending a public school. The problem does not arise in the youths who wish to be different in their dress, but when over zealous rule-makers start specifying regulations that have little purpose other than to maintain conformity for conformity's sake.

It would be healthy for all concerned if the subject of hair styles was dropped by Granite City administrators and more attention directed toward education. Suspension on grounds that person's hair does not conform to an outdated dress code is unwarranted.

It is not necessary for people to stop and think that our forefathers all had long hair? How incredibly stupid is the "father of our country" would not have been allowed a public education in Granite City—a city where people are judged by their looks and not their character.

In regard to the so-called respect by every other community that Granite City high school has, it is true that at one time Granite City was very much respected. However, a school that does not progress is not respected by anyone.

Many communities find GCHS very far behind, both educationally and socially. No schools that have abolished a dress code have found bad results.

On the contrary, the school in which I teach has found that a much better relationship between students and faculty is achieved by the use of dress codes. Coercive methods at GCHS are suppressive and cause hostile feelings in the youth.

Dr. Freedman is a truly educated person and a humanitarian. He does not judge a person by his appearance but by his merit.

I wholeheartedly support our youth. Recently, I was stopped along the road with car trouble. At least a dozen clean-shaven, short-haired people passed me by. One person, however, was not clean-shaven and had a long beard and shoulder-length hair.

It is true that people stop judging people by their appearance and start being more kind. Today's youth are more adults. Let's hope they are not as unkind and unfair as we are, and will not be as bitter toward us.

Granite City adults should show more about how rude they are when they make remarks to young people they don't even know. They should realize they would realize why youth finds today's society unpleasant.

GCHS administrators would like to wear regulations, standard dress, all with the same haircuts, all with the same ideas.

This type of society where this system of education exists. Do we want the type of society where we have rigid codes are enforced and freedom of the individual is withheld?

Cities Urge Hearing on Depot Closing

The city councils of Granite City and Venice approved resolutions Monday night calling upon Secretary of Defense Melvin Laird to conduct a public hearing on the government's plan to close down the Granite City Army Depot.

City officials said the public hearing would serve a two-fold purpose—to make known the data upon which the government bases its need of the shutdown, and to give opponents of the Depot closing an opportunity to air their views.

The resolution specifies that

the hearing be held in the Granite City area. The city of Madison and the village of Ponton Beach also plan to concur in the resolution, copies of which are to be sent immediately to Laird and to top Illinois officials.

The request for a public hearing was planned jointly by officials of the four Quad-City Municipalities following a recent meeting of representatives of area veterans' groups.

Urges Officials to Attend
The resolution urges that Illinois officials be in attendance at the hearing. It states:

"When such a hearing is held, Gov. Richard B. Ogilvie, Lt. Gov. Paul Simon, U. S. Senators Ralph T. Smith and Charles H. Percy, Rep. Melvin Price and State Treasurer Adlai E. Stevenson III, Democratic candidate for the U. S. Senate, should be on hand to listen to the opinions of all members of the public interested in the issue."

A surprise announcement that the Granite City Army Depot would be designated as part of a nationwide military cutback was made March 4.

Facet-Facet Talks
The resolution was introduced in Monday night's Granite City council meeting by Gerald Parmley, chairman of the ordinance committee.

In Venice, the resolution was introduced Monday night dur-

ing a council session postponed from last Friday's regular meeting date. It was submitted by Hank Svezia, chairman of the ordinance committee.

Venice Mayor John E. Lee commented that the Illinois U. S. Senators and Cong. Price of East St. Louis thus far have been unsuccessful in securing detailed data as to why the military feels the Depot closing is essential. The legislators have met with government and military proponents of the shutdown to request data supporting their action.

Impact on Economy
The resolution points out that "the closing of the Granite City Army Depot will result in a detrimental and major impact on the economy of Granite City, Madison, Venice and Ponton Beach."

Mayor Donald Partney has urged that, if the shutdown cannot be averted, the city acquire the 27-acre Depot area, which in the past has operated on an annual budget of about \$25 million. Half of the \$25 million has gone for wages and salaries.

Mayor Lee has suggested that the Quad-City area join in acquisition of the property for development of an aerospace industrial park and central point for community services.

Mayor Lee has said he would favor merger of all the municipalities into one large city as one phase of such a move.

GC Sales Tax For December Totals \$67,157

Sales tax revenue for Granite City, which normally amounts to \$40,000 to \$45,000 a month, totaled \$67,157 for December, the council was advised Monday night by the state revenue department.

However, the money did not remain in the city sales tax reserve account very long. Also Monday night, the council approved a fund transfer resolution, taking \$44,650 from the sales tax and \$73,730 from the special Office of Emergency Preparedness funds grants.

From the \$118,380 total, the following amounts were distributed: \$31,472 to the fire department, \$30,340 to the police department, \$12,886 to the street department, \$20,275 to maintenance of sewers, \$9,983 to the Illinois Municipal Retirement Fund, \$30,770 to the general government account, \$2,949 to the city hall fund, \$12,559 to the dog catching fund, \$2,960 to the school crossing guards account, \$13,223 to the air pollution fund, \$2,071 to the parking meter fund and \$481 to the special sewer extension fund.

With approval of another resolution, the council voted to transfer \$24,000 from the depreciation account of the Nameless sanitary sewer funds to the city's general fund for payment of engineering fees for sewer breaks.

Census Enumerators Get Instruction Here

A second training session is scheduled for tomorrow at the Kirkpatrick Homes recreation center for census enumerators, who will shortly begin calling at area residences. The initial training workshop for 16 census crew members was conducted Wednesday.

The enumerators will visit local residents who have not returned their census form to the U. S. Census Office by a specific date. The date when personal visits to homes will start has not yet been announced.

Census forms still may be completed and mailed in the postage-paid envelope provided with the form and instruction sheet.

City Updates Clean Air Law To Meet State's Standards

Hopeful of qualifying for federal funds to employ a fulltime air pollution control staff, Granite City council members approved an ordinance that permits updating the city council ordinance to meet standards set by state law.

Under the new ordinance, any future changes in regulations made by the state control board will be incorporated in the city control law.

Alderman Boker said the ordinance would pave the way for the local board to hire a fulltime staff to work with Prof. Erwin Hoelscher, part-

time technical secretary, provided an adequate budget, estimated at \$17,000, would be established by the city.

With enforcement, the city could qualify for an exemption from the state and then proceed with renewed requests for matching federal funds.

Several aldermen voiced support of the ordinance during the discussion. Alderman Robertson and Nomm called for the delay, but Robertson had stepped out of the council room when the vote was taken.

The first step toward obtaining federal funds.

Woman Loses Wallet

Mrs. Edna Stapleton, 1735 Rhodes street, reported at 9:05 a.m. Tuesday that she believes she lost her black wallet while she was a patient at St. Elizabeth Hospital from March 28 to April 4. It contained \$3, her driver's license and papers.

Alderman Whitmer pointed out the city clean air board can only "spin its wheels" until the city can secure a fulltime staff and laboratory to proceed with enforcement. Boker added that adoption of the ordinance was the first step toward obtaining federal funds.

Parking Meter Income Up For 3 Months of Year

The largest revenue thus far this year from parking meter operation was collected during March when meter fees totaled \$860 and assessment of fines for meter violations amounted to \$807, according to a report by Comptroller Robert Stevens.

The fee and fine revenue totaled \$4457, or \$618 more than total income of \$3839 and \$1716 more than the total of \$2741 in both fees and fines collected in January. This year's March revenue also is \$398 greater than the total of \$4689 income during March 1969.

March collections increased to \$11,037 the total revenue from meter operations for the three months of the year thus far, including \$9052 in meter fees and \$1985 in fines. This total is \$518 more than the three-month total of the 1969 year, the report showed.

Parking meters operated 26 days during March with an average daily revenue of \$171.

During February, meters operated 24 days during the month for an average daily income of \$159. January produced a total parking meter revenue of only \$2741 with meters operating 26 days for an average daily income of \$105.

Madison county residents purchased a total of \$433,433 in series E and H bonds and Freedom Shares in February according to Henry D. Karandjoff, local banker and county chairman of the savings bonds committee.

Sales in the state were over one million dollars a day for a total of \$28,199,303. This is 9.1% above sales in February last year. Illinois sales represented 6.8% of the national total of \$414 million.

Committee Named to Aid In Acquiring Park Areas

A committee to assist the Illinois Department of Conservation in developing criteria for the location and acquisition of new state parks, forests and conservation areas has been appointed by Jerry R. Van Meter, chief of planning and research for the conservation department.

Van Meter said the new advisory committee "will suggest site acquisition criteria which can be used in the interim while long range plans for the state conservation department are being prepared."

He said committee members were selected for their demonstrated professionalism and competence in park, recreation and conservation matters. Members come from all parts of the state and represent a wide range of specialties, including parks and recreation, water resources, forestry, fisheries and wildlife management and unique natural areas, Van Meter said.

List Committee Members

Committee members include: Dr. John Anderson, head of the department of forestry, Southern Illinois University; Dr. W. R. Bogges, head of the department of forestry of the University of Illinois; Dr. Leonard Durham, director of the division of life sciences, Eastern

Illinois University; Dr. Benjamin B. Ewing, director of Water Resources Center, University of Illinois.

Rev. Robt. Baumann Is Honored This Week

More than 400 persons, a number of them from out of town, as well as Quad-Cityans, attended the farewell party and reception given by the congregation of St. Peter United Church of Christ for Dr. Robert J. Baumann, church pastor, and Mrs. Baumann this week at the church. They are leaving next week to assume duties at a church in Carlinville.

During the morning service at the church, Rev. Dr. Baumann was presented with a gift from the congregation by Ralph Monken, president of the church council.

Mrs. Laura Taylor served as chairman of the committee arranging the farewell party. Among those in attendance was Rev. H. H. Wintermyer, pastor emeritus of the church, who was also present when Rev. Baumann was installed as pastor of St. Peter's 16 years ago.

Impala '400' Sale.

You save when you buy it. You save when you drive it.

When you buy any Impala V8 model during our "400" Sale, here's how you can get two popular extras at no extra charge.

You order your Impala equipped with a Turbo Hydra-matic transmission, radio, Comfortilt steering wheel, front and rear bumper guards and white stripe tires. Items you'd probably order anyway.

Then we add our big 400-cubic-inch V8 at 265 hp that runs on regular gas, along with dual exhausts—both at no charge. (The manufacturer's suggested retail price including Federal excise tax for the regular fuel 400 V8 and dual exhausts is \$93.75.) But that's only the beginning. Because your Chevrolet dealer is really anxious

to deal these days.

And the Impala you're buying, of course, got to be America's No. 1 car, because of all the value features built right in. Features like flush-and-dry rocker panels that fight rust. Inner fenders to protect the outer fenders. Long-lasting bias belted ply tires, steel guard beams in every door, for added protection, an acrylic lacquer finish over its solid Body by Fisher.

All of which contributes to Impala's traditionally high resale value, too. You're getting America's No. 1 car on sale. The car more people buy—year after year after year.

How can you beat that?

All hands love an electric dishwasher!

If dishwashing isn't the worst chore in the day, why isn't nobody ever volunteers to help out after dinner?

An automatic dishwasher can put a lot of little problems out of sight. As dishes, glasses, cups, silver and cooking utensils are used, just put them in the dishwasher—out of sight. Then, once a day, add detergent, flip a switch and enjoy the evening.

No more arguments about "Whose turn for the dishes?"

No more dishwashing backache or dishpan hands.

And isn't it good to know your dishes are not just washed but

sanitized in powerful jets of water hotter than hands could stand? There are attractive portables, built-in or convertible models in many styles and colors. And for straight answers about automatic dishwashing, ask your Illinois Power Home Economist.

Old Radio Programs To Feature SIU Talk

Jim Bolen, St. Louis radio announcer and a weatherman, will take Southern Illinois University Friends of the Library back to the "Golden Age of Radio" when he speaks Saturday at their annual banquet. The banquet is planned at 6:30 p.m. in the River Rooms of the University Center at Southwestern Campus, with the program following on the main floor of Lovejoy Library, at 8:15 p.m.

Bolen has collected more than 1500 tapes of old radio shows since the mid-40's. His oldest tape is a broadcast of Calvin Coolidge presenting a medal to Charles Lindbergh when he returned from his transatlantic hop in 1927. He has all of Franklin D. Roosevelt's fireside chats.

Both the dinner and the program are open to the public. Banquet reservations at \$4 per person may be made by writing to the Friends of the Library, Lovejoy Library, Edwardsville, 62023. No reservations are needed for the program at 8:15.

Anti-Rabies Clinics Set in Nameoki Twp.

A series of three anti-rabies clinics will be conducted this month in Nameoki township, Harry Briggs, township supervisor, announced.

Dr. L. H. Holt, or Dr. L. O. Tadlock, veterinarians, will hold clinics from 2 to 3 p.m. April 18 behind Bob's tavern at Third street and McCarbidge road, near East Madison, and from 2:30 to 4 p.m., or until finished, April 25 at the Ponton Beach fire hall.

The other clinics will be held from 3 to 5 p.m., or until finished, April 28 at the State Park fire hall, with Mrs. Carl Horstman and A. B. Douglas, veterinarians, to be on hand.

The fee for the clinics will be \$3 for each vaccination. Office fees are \$4. Briggs noted that the law requires that animals, including cats as well as dogs, must be vaccinated every year against rabies.

Equal Pay Sought for Police Desk Women --But GC Council Votes, 'No Pay at All'

Equal pay for the two women serving as police desk clerks was requested of the Granite City Council Monday night by Local 98, Service Employees International Union, that represents city hall employees.

The letter from James M. Coffey, business representative, was placed on file, and later in the meeting the council ignored a letter of advice from the city attorney and voted not to pay the two women's salaries for the first half of April.

A similar action was taken March 23 in holding up officer pay for the last half of March. At the present time, the two women serving as police desk clerks—handling the telephone, police radios and police book—receive salaries of \$422 a month, while the basic pay of a police patrolman is \$700.

Before going to the police office on Feb. 1, Mrs. Marge Hall was operator of the now-defunct city hall switchboard and Mrs. Cleo Buttery was a clerk in the police department's detective bureau.

In his letter to the council, Union representative Coffey said the women are doing the same work on the morning and afternoon shifts as a regular policeman does on the night shift.

He added that a city ordinance of April 6, 1963, specifies that additional employees in the police and fire departments shall be paid the same salaries as regulars.

He added that the Fair Labor Act specifies equal pay for equal work. The letter was placed on file without comment.

Another letter pertaining to the two women police clerks was read from City Atty. Scroggins advising the council that in similar instances in the past, the city has always lost out in holding up payment when the matter goes to small claims court.

"When the services are rendered and the city benefits, the monies are due," Scroggins advised the council in stating that in his opinion, the salaries of the two women held up for the last half of March "are due and payable."

The legal adviser added that he was not giving an opinion on the status of the two women employees "under enactments of the council since I am certain the matter will be a question involved in other litigation."

Opinion Questioned After the attorney's letter was read and Whittier called for it to be placed on file, Nook asked Scroggins if he had not prepared an ordinance that had been adopted by the council calling for regular police department members to be assigned to all police duties, including the police desk. He added that it would be impossible for the city to pay their salaries from the police appropriation.

Scroggins replied he had prepared the ordinance but also had been advised there were funds for payment of the women.

It was a short time after this discussion that the \$7,828 payroll for the first half of April was signed to all police duties, including the police desk.

Walter Schlueter, 81, Former Resident, Dies

Walter William Schlueter, 81, of 2720 Edwards street, a longtime local resident and retired Granite City Steel foreman, died at 4:23 a.m. Tuesday at St. Elizabeth Hospital. He had been under the care of a physician for a heart ailment.

Born in Edwardsville, he lived in Granite City from 1911 until 1964 when he retired and moved back to Edwardsville.

A 35-year employee of Granite City Steel he was a foreman of the old open hearth when he retired. As an active union man, he was a member of the Steelworkers Union and served as a negotiator and co-ordinator in union problems in this area during the early days of union organizations.

Mr. Schlueter was a member of St. Mary's Catholic Church in Edwardsville and attended Sacred Heart Church while living in Edwardsville.

He also held membership in the Modern Woodmen of America. His wife, Blanche, died April 19, 1968, and survivors include one daughter, Mrs. Ralph (Eileen) Huelkamp of Granite City; two brothers, George Schlueter of Bunker Hill and Carl Schlueter of Edwardsville; and two grandchildren.

Funeral arrangements are given in today's obituary column.

He reviewed ticket sales activities with the scoutmasters and troop committee members, noting that proceeds will help troops raise funds for the unit.

TB Associations of 3 Counties being Merged

Madison County Tuberculosis Association soon will merge with Christmas Seal organizations in Calhoun and Jersey counties to form the new Lewis and Clark Tuberculosis and Respiratory Disease Association, which maintains offices in Springfield.

The state association thus becomes the parent organization to 13 area affiliates instead of separate county tuberculosis associations. Month of study and evaluation have preceded the statewide reorganization move, as the state and national organizations sought the most up-to-date and effective means of putting local communities' Christmas Seal funds to work.

The voluntary tuberculosis association is more than 60 years old. Because of this, evaluation of both organizational structure and program aims and methods has been essential from decade to decade, to maintain efficiency and relevancy for the organizations' operations.

William H. Dorsey, president of Madison County TB Association, said that good program activities presently being carried on in any of the three counties could be retained, strengthened and expanded to include the area.

filling the health needs of the area.

The newly-formed Association will hold its first annual membership meeting, jointly with the Madison County 34th annual membership meeting at 6:30 p.m. Monday, April 13, in Lewis & Clark restaurant, East Alton.

Dr. Leonard C. Jones, professor of engineering at SIU-Springfield, will be the featured speaker for the dinner meeting. Announcement of this and

Victim of Crash in South Still Critical

Miss Janis Zamaroni, 18, a former Granite Cityan critically injured in an auto accident March 30 near Chattanooga, Tenn., remains on the critical list at Erlanger Hospital in Chattanooga.

A niece of Mr. and Mrs. Robert Spengler, 3666 Terrace lane, she is the daughter of Mr. and Mrs. Frank Zamaroni of Belleville.

Mrs. Spengler, who has just returned from visiting her niece, said Miss Zamaroni is slightly improved, as she can recognize the voices of her family and is able to open her eyes. She remains in the intensive care unit.

Although she underwent surgery the day following the accident to correct excessive hemorrhage, she has not been treated for skull injuries as yet because hospital authorities have not been able to x-ray the skull area and diagnose the extent of injury.

A freshman student at Illinois State University at Normal, Miss Zamaroni was enroute home from Daytona, Fla., with three girl friends when the crash occurred. The passengers were released from the hospital and have returned to school.

Meet Chamber Members

Tri-Cities Chamber of Commerce members have been invited to meet informally to discuss the voices of her family and is able to open her eyes. She remains in the intensive care unit.

\$10,000 Checks being Mailed to 4 Families

Atty. Gen. William J. Scott announced today that the first payments are being made under the new "Law Enforcement Officers and Firemen Compensation Act," which is administered by his office.

Payments of \$10,000 a year, made under the new "Law Enforcement Officers and Firemen Compensation Act," which is administered by his office.

Payments of \$10,000 are made, in addition to any other benefits, to the families of beneficiaries of firemen and police officers who are killed while on duty.

Checks are being mailed to the families of a Springfield fireman, a Louisville police chief and two Chicago police officers.

Coal Mining Sparked Early Economy of County

(Last of a Series)

A principal effect on the early economy of Madison county was the coal mining industry, an era which started in the 1880s, according to a history related in the Madison county land use and transportation plan developed by the Southwestern Illinois Metropolitan Area Plan Commission.

Although the extent of its influence was not realized at the time, it marked the end of the pioneer era and the beginning of the industrial revolution in the county. Mines were sunk around such communities as Edwardsville, Collinsville, Maryville, Troy, Glen Carbon and Marine.

The development of railroads within the county corresponds temperally with the opening of many of the coal mines.

The county is in near proximity to some of the largest coal fields in the country. The southern Illinois fields hold coal reserves of about 140 billion tons. Almost 90% of this is in seams at least four feet thick and 20%,

of it is in seams at least eight feet thick.

Last For 1400 Years
The Atlas of Illinois Resources stated in 1959 that "in all its years of mining, Illinois has produced only 3 1/2 billion tons of coal. If only 50% of the known resources are recovered, there is still enough coal to last for 1400 years at the 1957 rate of production."

The railroads not only allowed the tapping of many coal seams within Madison county, but stimulated major industrial development as well. By the turn of the century the American Bottoms were rapidly developing as heavy industrial centers.

With the 20th century came the introduction of many new inventions and conveniences to the residents of the county. Included were electricity, telephones, water and sewer installations, electrical streetcars and automobiles.

The nation enjoyed unlimited prosperity at this time, and business was booming both

locally and nationally. Census figures for 1900 revealed that Madison county, with 69,894 persons, had one of the largest county populations in the state. The Tri-Cities area and Alton had developed into major population and employment centers in the county.

The era of prosperity within the county came to an end with the great market crash of 1929. The nation was swept into a severe financial depression which lasted virtually to the start of world war II.

The effects of this economic and social upheaval were felt in Madison county in a number of ways.

Coal mining declined drastically in the 1930s and many mines in the county were closed. Many businesses and industries experienced financial difficulties and unemployment was prevalent.

Population growth slowed considerably from 1930 to 1940, and the economy shifted from predominantly mining and

agriculture to a more regionally oriented economy.

From world war II to the present, Madison county has experienced a period of rapid growth and expansion. After the war, major highway improvements were made and people began commuting greater distances to work.

The pre-war trend toward urbanization was reversed as increasing numbers moved to the suburbs. Suburbanization, in turn, brought about the creation of local commercial shopping centers.

The Korean war, the Vietnam conflict and the expansion of domestic and foreign markets have been major factors in stimulating economic growth and development within the county. The population has increased significantly since 1940.

Currently, Madison county is entering an era of almost unlimited potential for growth. The county's location, within the metropolitan area, its healthy industrial base, its extensive transportation system with large acreage of undeveloped or vacant land provide the county with all the necessary attributes for a prosperous future.

Two \$110 Liquor Fines

John M. Kesterson, 18, of 1949 St. Clair avenue, and Dennis B. Pully, 18, of Collinsville, arrested Monday on charges of possession of alcoholic liquor, pleaded guilty and were fined \$100 plus \$10 cost each by Magistrate Mateosian. Pully was released on payment of the fine and Kesterson was taken to the Madison county jail in lieu of payment.

Stop Sign Ticket Issued

Darvin L. Sechrest, 4 Briarcliff, was issued a stop sign violation ticket at 10:35 p.m. Monday at Briarcliff and West Pontoon road.

**Mrs. Heely to
Retire April 30**

The retirement of Mrs. Gladys Heely, a 23-year employee in the city comptroller's office, was accepted Monday night by Granite City council members.

Mrs. Heely said her retirement will be effective at the end of this month which also is the close of the city's fiscal year.

At the same time on April 30, the office of city comptroller is to be abolished under present city ordinance.

Council members voted their appreciation of Mrs. Heely's services to the city and called for a plaque to be presented to her.

Mayor Partney announced the resignation of Carl Graham, proprietor of Graham's Book store who is now in semi-retirement at The Colonades Nursing Home, from the police pension board after nearly 20 years service.

Appointed to the board was William Brandt, local lawyer.

**Madison High PTA
To Organize Tonight**

The first organizational meeting to form a PTA unit for the Madison senior high school will take place at 7:30 tonight at the high school.

Three groups, the by-laws, nominating and hospitality committees, have been working to present to the parents and teachers a list of by-laws for approval; a slate of officers for election (nominations also will be accepted from the floor); and for introductions and refreshments after the meeting.

Those serving on the By-laws committee are Mrs. Ruby Shrader, Oscar Hampton, Mrs. Louise Anderson and alternate Mrs. Rosalie Stern.

Members of the nominating committee include Mesdames Ola Dandridge, Evelyn Holt, Mary Berry and Joyce Crawford as alternate.

Hospitality committee members are Mrs. Daisy Adams, Mrs. Oralee Rivers and Mrs. Grace Hornmann.

**Seven Drivers Issued
Signal Tickets**

Seven drivers were issued traffic signal violation tickets Monday on various Granite City streets. They are: Garry G. Callender, 2686 Madison avenue; Steven J. Baustger, Rural Route Two; Dwight K. Seitzer, 2306 East 25th street; John P. Thomas, St. Charles; Lester G. White, 1939 Fifth street, Madison; Lloyd J. Weeks, 2406 State street (also no driver's license); and John W. Harsh, 2281 Lynch avenue.

BOARD OF REALTORS ARE LISTED

Advantages of REALTOR SERVICE

THE ADVANTAGES FOR THE HOMEOWNER WHO IS ABOUT TO SELL HIS PROPERTY of obtaining the service of a reliable Realtor are many and varied. Listed below are 7 reasons why property owners need Realtors.

- **SELLING REAL ESTATE** requires skill and experience. The real estate salesman is in a much better position to move a property at a fair price than the average owner.
- **THE REAL ESTATE SALESMAN** knows the market and where prospects may be found.
- Acting as a middleman between owner and buyer, the REAL ESTATE SALESMAN is able to negotiate with a better chance of reaching an agreement than if the 2 interested parties sat face-to-face across the same table.
- **THE AVERAGE BUYER** is unable to talk frankly to the owner. He may shrink from bringing up criticisms that must be answered before a sale can be made, and he may be too proud to discuss financial resources or to ask for the terms he needs.
- **THE OWNER** is inclined to be sensitive. He resents criticism, and his interview with the prospect may end in a heated argument rather than a sale.
- **THE REALTOR BROKER** knows how to advertise properties to the best advantage.
- The commission paid to the REALTOR is nominal for the advantages of having the sale in the hands of an expert.
- In the long run, it costs the owner more to act as his own agent than it would to use the services of a GOOD REALTOR.
- REALTOR—a professional in real estate who subscribes to a strict Code of Ethics as a member of the local and state boards and of the National Association of Real Estate Boards.

Stevenson to Conduct Tour to End in County

Adlai-E. Stevenson III, Democratic candidate for the U. S. Senate, will conduct a three-day downstate campaign tour next week which will wind up in Madison county on Wednesday. An informal reception will be held at 6 p.m. in Highland, to be followed by an informal dinner at 7:30 p.m. in Collinsville and city officials.

Granite City PRESS-RECORD
Page 44 Thurs., Apr. 9, 1970

where he will confer with city political and civic leaders. He will remain overnight in Collinsville. Stevenson, the current state treasurer, will conduct a street campaign in 20 western Illinois cities, conferring with local residents, merchants and party and city officials.

Grandchildren Record Jeopardized by Twins

The recent addition of three grandchildren to a Venice couple's family within a 15-day period was bettered on a "technicality" earlier this year, according to information received Tuesday. A Press-Record item in Monday's issue noting the arrival of three new grandchildren for

Mr. and Mrs. John G. Levy sr., 121 Graniteville street, Venice, attracted the attention of a young mother in Granite City who reported that Mr. and Mrs. Homer Lupardus and Mrs. Pearl Lupardus, all of whom reside in the Kirkpatrick Homes, became grandparents on three occasions within a 12-day period. The Lupardus grandchildren, however, included a set of twins, which may still leave

Mr. and Mrs. Levy's record intact. Twins, Thomas Ian, three pounds, six ounces and Dawn Lenice, three pounds, five ounces, were born Jan. 30 to 22nd street and Rock road at 10:50 p.m. Monday. The infants arrived six minutes apart at Alton Memorial Hospital. Maternal grandparents are Mr. and Mrs. Herbert Moyer of Wichita, Kans. Born 11 days later at the

same hospital was the Lupardus third grandchild, Kristi Leigh, six pounds, 12 ounces, daughter of Mrs. Vicki Lupardus, 2258 Washington avenue. James Wood, 355 Reynolds street, Madison, was charged with reckless driving at West 22nd street and Rock road at 10:50 p.m. Monday.

Council Oks Annexation; Plans Permit for Fences

An annexation, a request for a zoning change for a car wash, a permit requirement for construction of fences and an appeal for a halt in construction of "hamburger stands" in the Seventh Ward were among topics Monday night's Granite City council session. One lot and home at 2504 Pine street in the Evergreen Subdivision was annexed with approval of an ordinance, and the zoning change at 1515-19 Pontoon road, requested by John and Charlotte Sobol for operation of a car wash on the property, was referred to the City Plan Commission. The proposal to require a permit for construction of fences at homes in Granite City was proposed by Alderman Parnley, who called for preparation of an ordinance. He pointed out the permit would present an opportunity for the city building inspector to advise individuals on the size limitations for fences—36 inches high for front fences and 42 inches for side fences. The inspector has requested this to curb illegal installations and all the work required to eliminate fences that have been installed and do not meet the city law," the alderman said. Parnley at first proposed a permit for fences, but objections by Alderman Baschik withdrew that part of his proposal. He complained that the city inspector already had too many duties and that he did not need a permit to put a roof on your house or put in wiring and almost everything else. Inspector Orville Deltour told council members he favored the permit as an opportunity to provide potential fence-builders with an outline of city restrictions. The ordinance requiring a permit without a fee—as Parnley, who called for preparation of an ordinance. He pointed out the permit would present an opportunity for the city building inspector to advise individuals on the size limitations for fences—36 inches high for front fences and 42 inches for side fences. The inspector has requested this to curb illegal installations and all the work required to eliminate fences that have been installed and do not meet the city law," the alderman said.

Alderman Boker appealed to the council for aid in "calling a halt to construction of hamburger and hot dog stands in the Seventh Ward. We've got the places now are complaining. I'm asking for the operation of the council," Boker stated. Alderman Green called upon City Atty. Scroggins to obtain data on property at 2917 Circle drive and 728 and 730 Twenty-sixth place, and Robertson requested immediate action be taken to require a sewer connection and elimination of a cesspool at a house on 26th street.

Lloyd Holder, 63, 2542 East 24th street, a retired railroad man, died at home of an apparent heart attack on Monday. He was found lying on the bed by his wife when she returned home from work at 4:20 p.m. and was pronounced dead by Madison County Coroner Robert Thomas. There will be an inquest. Born in Jackson county, Ill., Mr. Holder had resided in Granite City for 30 years. He retired in 1968 from the Terminal Railroad where he had been employed for 20 years as a diesel fireman. Mr. Holder was a member of the Briarcliff Pentecostal Church. Surviving are his wife, Florence; two sons, David Holder of Ashley, Ill., and Larry Holder of Murphysboro, Ill.; four daughters, Mrs. Loretta Deason of Murphysboro, Mrs. Opal Kirkpatrick of Long Beach, Calif., Mrs. Carolyn Hersch of Chicago and Mrs. Barbara Lugo of Elk Grove, Ill.; one step-son, Fred Fairfield of Highland; a step-daughter, Mrs. Gladys Green of Glen Carbon; one brother, Joseph Holder of Carbondale; four sisters, Mrs. Carolyn Phipps, Mrs. Josephine Atkins and Mrs. Ruth McDaniel all of Murphysboro and Mrs. Mary Stevens of Texas; and 21 grandchildren. Funeral services were held today. Arrangements are given in the obituary column.

Nursing School Sets Senior Essay Contest

The Friends of the St. Louis Municipal School of Nursing will sponsor an essay contest to help school seniors on the subject "Nursing—The Career Which Helps Everyone." It is announced by Mrs. Leslie T. Barco, president of the organization. The first prize for the essay contest is \$500. To be used toward tuition costs at the St. Louis Municipal School of Nursing, when classes begin in September. The second prize is \$100, and the third prize is \$50. These are also to be used for tuition costs at the school. All essays must be original, no more than 350 words in length and no less than 250. No essay will be accepted after May 31 and prize winners will be announced July 1. A list of impartial judges will select the winning essays.

Unmailed Census Forms Must be Returned Now

It is not too late to be counted in the 1970 Census of Population and Housing, according to Ray B. O'Neill, district manager of the census in this area. "If you have not mailed back your census form, do it today," he advised. Although the Census Bureau wanted the forms returned on April 1, the official said the district office will still accept them. He noted, however, if all forms sent to households are not returned shortly, it will be necessary for census takers to call and pick up those not mailed in, thus adding to the cost of the census. O'Neill added a word of caution to persons who have not yet filled out the census form. The census is meant to take a count of everyone on a specific date, April 1. If someone has moved into your household since that day, he should not be listed on the household's form. Someone who has moved away since then who was a resident on April 1, should be listed, he said. Most questions on the form will be answered by blacking in a small circle with an ordinary lead pencil. If reference is made to the yellow sheet of instructions that came with the form, answering the questionnaire is a simple task, O'Neill said. A brown envelope already addressed and requiring no postage for mailing back, was included with each census form.
